

Tier 1

GatorCare Network

UF Student Health Care Center

(352) 392-1161

Most affordable services

Costs for services at the Student Health Care Center will likely be cheaper or the same as the costs listed below for other Tier 1 Providers.

As a student at UF, a health fee is included in your tuition; therefore, it is recommended that you visit the Student Health Care Center first for routine medical and pharmacy services. You have access to a number of low or no cost services to you that include, but are not limited to, annual physicals, sick visits, immunizations, women's health visits, mental health visits, and physical therapy services.

Additional Tier 1 – UF Health Providers and Hospitals, limited community physicians
