

Important Information Regarding Health Care Providers

Dear GatorCare Member:

We want to provide an important update regarding health care providers available through your GatorCare provider network.

Effective July 1, 2021, the following physicians are leaving the UF Health system and will be part of Baptist Specialty Providers. As such, these providers will no longer be GatorCare Tier 1 for outpatient clinic services. UF Health Shands Gainesville providers will be staffing the Pediatric Cardiology clinic in Jacksonville. We urge you to contact them at 904-633-4110 for more information about continuing your child's care at UF Health.

Robert English, MD
Pediatric Interventional Cardiologist

Jose Ettetdgui, MD
Pediatric Interventional Cardiologist

Sunita Ferns, MD
Pediatric Electrophysiologist

Amy Juraszek, MD
Pediatric Cardiac Morphologist

Brandon Kuebler, MD
Pediatric and Adult Congenital Cardiologist

Shawyntee Mayo, MD
Preventive Cardiologist

Thomas Moon, MD
Cardiac Imaging Specialist

Daniela Neagu, MD
Pediatric Cardiologist

Andrea Kropf, MD., Pediatric Cardiologist, will be leaving UF Health. She will not be a part of the Baptist Specialty Providers group.

What this means for you:

It is important you are aware of changes to the benefits under your health plan should you decide to use providers outside of the Tier 1 network for services. Please refer to information related to your applicable health plan benefits at GatorCare.org/plans. **Important note for Prime Plan members:** On the Prime Plan, only emergency services outside of Tier 1 are payable.

We are here to help you:

If you have any questions, please contact our dedicated GatorCare Customer Representative in Jacksonville:
