To make sure you're seeing correct information, only providers who confirm the accuracy of their information with us every 90 days are listed. If you're looking for a specific provider and don't see them, they may still be in-network and available for your care, but you'll need to call their office to confirm. If you're searching for providers in your area and aren't finding one near you, you can call the number on the back of your member ID card for help.

Find a doctor by name in your area or search for doctors, dentists, and other specialists that participate in Florida Blue networks. Also find medical facilities such as hospitals, urgent care centers and imaging centers as well as pharmacies and other types of providers.
