

What you can expect when you are expecting

GatorCare is here to help you through your maternity journey!

If you are planning to become pregnant or have recently become pregnant:

Call or email your dedicated GatorCare Florida Blue service representative at **904-244-9130** or **GatorCareCSR@bcbsfl.com**.

The dedicated representative will help you find a participating network OB provider and answer any questions you have about your GatorCare benefits.

 **904-244-9130**

FAQs

- **Q.** Where can I find options for Tier 1 OB providers?
- **A.** Call your dedicated GatorCare Florida Blue service representative at **904-244-9130** or email **GatorCareCSR@bcbsfl.com** to get help in finding a Tier 1 OB provider.

- **Q.** Do I need a waiver to receive care?
- **A.** Possibly. Your dedicated GatorCare Florida Blue representative will be able to let you know if a waiver is required and handle the waiver process for you to see the OB provider you have selected.

- **Q.** What services are included in the waiver?
- **A.** Services include prenatal care, labor, delivery and postpartum follow up.

- **Q.** What about care for my child once I deliver, can I continue with the pediatrician that saw my baby in the hospital?
- **A.** Be sure to check the GatorCare directories to determine if the pediatrician is a Tier 1 provider. There are other providers in Tiers 2 and 3 at additional out-of-pocket costs.
