Walker Tracker

1. Click on menu

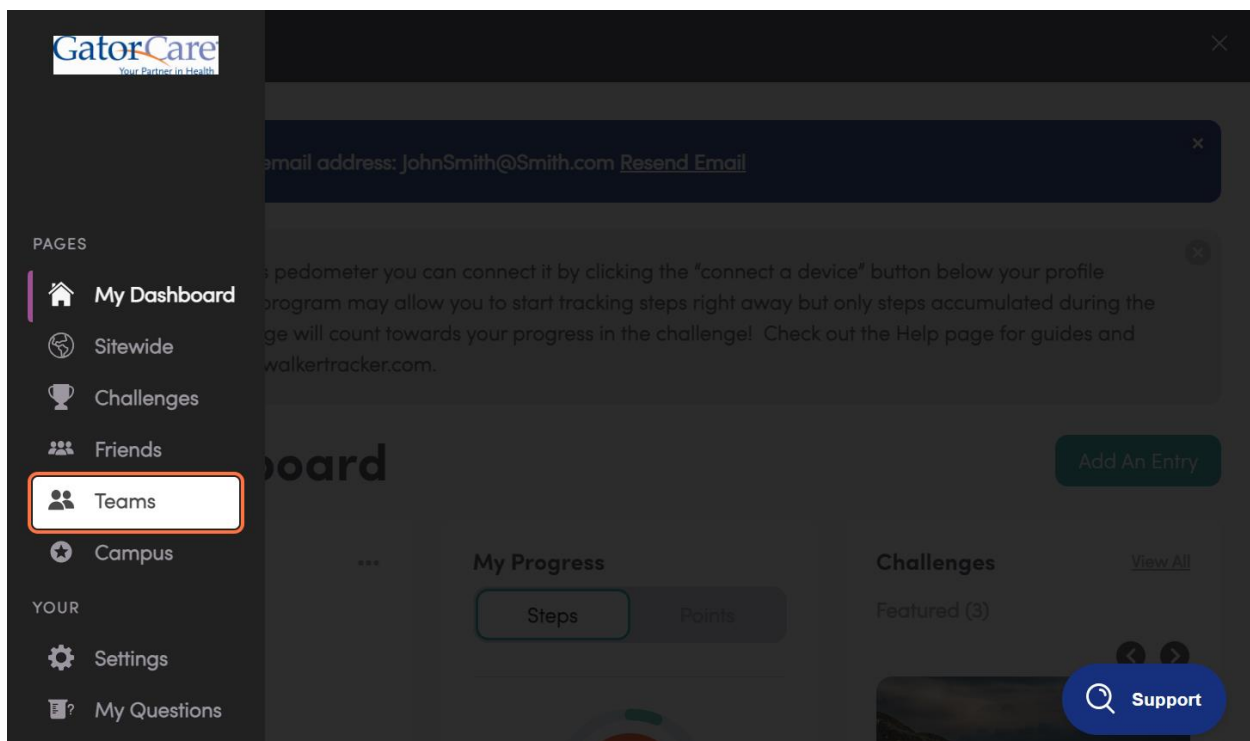

The screenshot shows the Walker Tracker dashboard. At the top, there is a dark navigation bar with a notification icon (5) on the left and a menu icon (three horizontal lines) on the right, which is highlighted with a red box. Below the navigation bar, there is a dark blue notification banner that says "Please confirm your email address: JohnSmith@Smith.com [Resend Email](#)". Below that is a light gray informational box with a close button (X) that reads: "If you have a wireless pedometer you can connect it by clicking the 'connect a device' button below your profile picture/avatar. Your program may allow you to start tracking steps right away but only steps accumulated during the dates of your challenge will count towards your progress in the challenge! Check out the Help page for guides and FAQs or visit support.walkertracker.com." The main content area is titled "My Dashboard" and includes an "Add An Entry" button. The dashboard is divided into three main sections: 1. Profile: A circular profile picture placeholder for "John Smith" with a three-dot menu icon to its right. 2. My Progress: A section with two tabs, "Steps" (which is selected and highlighted with a blue border) and "Points". Below the tabs is a partial view of a circular progress indicator. 3. Challenges: A section titled "Challenges" with a "View All" link. It shows "Featured (3)" challenges. At the bottom right of the challenges section, there is a dark blue "Support" button with a magnifying glass icon and a search icon.
