Walker Tracker

1. Click on menu

The screenshot shows the Walker Tracker dashboard interface. At the top, there is a dark navigation bar with a mail icon and a notification badge with the number '2' on the left, and a menu icon (three horizontal lines) on the right, which is highlighted with a red box. Below the navigation bar, there is a dark blue notification banner that says "Please confirm your email address: JohnSmith@Smith.com [Resend Email](#)". Below that is a light gray informational box with a close button (X) in the top right corner, containing text about connecting a wireless pedometer. The main content area is titled "My Dashboard" and includes a green "Add An Entry" button. The dashboard is divided into three main sections: a user profile section for "John Smith" with a profile picture and a three-dot menu; a "My Progress" section with tabs for "Steps" (which is selected and highlighted with a blue border) and "Points"; and a "Challenges" section with a "View All" link and a "Featured (3)" label. A blue "Support" button with a magnifying glass icon is overlaid on the bottom right of the Challenges section.
