Walker Tracker

1. Click on menu

The screenshot shows the Walker Tracker dashboard. At the top, there is a dark navigation bar with a notification icon (7) on the left and a menu icon (three horizontal lines) on the right, which is highlighted with a red box. Below the navigation bar, there is a dark blue notification banner with the text: "Please confirm your email address: JohnSmith@Smith.com [Resend Email](#)". Below this is a light gray informational box with the text: "If you have a wireless pedometer you can connect it by clicking the 'connect a device' button below your profile picture/avatar. Your program may allow you to start tracking steps right away but only steps accumulated during the dates of your challenge will count towards your progress in the challenge! Check out the Help page for guides and FAQs or visit support.walkertracker.com." Below the informational box is the "My Dashboard" section. It features a profile card for "John Smith" with a circular avatar icon and a three-dot menu. To the right of the profile card is the "My Progress" section, which has two tabs: "Steps" (selected) and "Points". Below the tabs is a partial view of a progress chart. To the right of the progress section is the "Challenges" section, which has a "View All" link and shows "Featured (3)" challenges. At the bottom right of the dashboard, there is a dark blue "Support" button with a magnifying glass icon and a "Support" label.

2. Click on Teams

3. Find your team in the list of teams and click Join
