# Section 1: How to Use Your Benefit Booklet

This is your Benefit Booklet (“Booklet”). It describes your coverage, benefits, limitations and exclusions for the self-funded Group Health Benefit Plan (“Group Health Plan” or “Group Plan”) established and maintained by GatorCare.

The sponsor of your Group Health Plan has contracted with Blue Cross Blue Shield of Florida, Inc. (BCBSF), under an Administrative Services Only Agreement (“ASO Agreement”), to provide certain third party administrative services, including claims processing, customer service, and other services, and access to certain of its Provider networks. BCBSF provides certain administrative services only and does not assume any financial risk or obligation with respect to Health Care Services rendered to Covered Persons or claims submitted for processing under this Benefit Booklet for such Services. The payment of claims under the Group Health Plan depends exclusively upon the funding provided by GatorCare.

## Section 2: What Is Covered?

### Introduction

This section describes the Health Care Services that are covered under this Benefit Booklet. All benefits for Covered Services are subject to your share of the cost and the benefit maximums listed on your Schedule of Benefits, the applicable Allowed Amount, any limitations and/or exclusions, as well as other provisions contained in this Booklet, and any Endorsement(s) in accordance with BCBSF's Medical Necessity coverage criteria and benefit guidelines then in effect.

Remember that exclusions and limitations also apply to your coverage. Exclusions and limitations that are specific to a type of Service are included along with the benefit description in this section. Additional exclusions and limitations that may apply can be found in the "What Is Not Covered?" section. More than one limitation or exclusion may apply to a specific Service or a particular situation.

Expenses for the Health Care Services listed in this section will be covered under this Booklet only if the Services are:

1. within the Health Care Services categories in the "What Is Covered?" section;
2. actually rendered (not just proposed or recommended) by an appropriately licensed health care Provider who is recognized for payment under this Benefit Booklet and for which an itemized statement or description of the procedure or Service, which was rendered is received, including any applicable procedure code, diagnosis code and other information required in order to process a claim for the Service;
3. Medically Necessary, as defined in this Booklet and determined by BCBSF or GatorCare in accordance with BCBSF's Medical Necessity coverage criteria then in effect, except as specified in this section;
4. in accordance with the benefit guidelines listed below;
5. rendered while your coverage is in force; and
6. not specifically or generally limited or excluded under this Booklet.

BCBSF or GatorCare will determine whether Services are Covered Services under this Booklet after you have obtained the Services and a claim has been received for the Services. In some circumstances BCBSF or GatorCare may determine whether Services might be Covered Services under this Booklet before you are provided the Service. For example, BCBSF or GatorCare may determine whether a proposed transplant is a Covered Service under this Booklet before the transplant is provided. Neither BCBSF nor GatorCare are obligated to determine, in advance, whether any Service not yet provided to you would be a Covered Service unless we have specifically designated that a Service is subject to a prior authorization requirement as described in the "Blueprint for Health Programs" section. We are also not obligated to cover or pay for any Service that has not actually been rendered to you.

In determining whether Health Care Services are Covered Services under this Booklet, no written or verbal representation by any employee or agent of BCBSF or GatorCare, or by any other person, shall waive or otherwise modify the terms of this Booklet and, therefore, neither you, nor any health care Provider or other person should rely on any such written or verbal representation.

## Our Benefit Guidelines

In providing benefits for Covered Services, the benefit guidelines listed below apply as well as any other applicable payment rules specific to particular categories of Services:

1. Payment for certain Health Care Services is included within the Allowed Amount for the primary procedure, and therefore no additional amount is payable for any such Services.
2. Payment is based on the Allowed Amount for the actual Service rendered (i.e., payment is not based on the Allowed Amount for a Service which is more complex than that actually rendered), and is not based on the method utilized to perform the Service or the day of the week or the time of day the procedure is performed.
3. Payment for a Service includes all components of the Health Care Service when the Service can be described by a single procedure code, or when the Service is an essential or integral part of the associated therapeutic/diagnostic Service rendered.

## Section 4: Medical Necessity

In order for Health Care Services to be covered under this Booklet, such Services must meet all of the requirements to be a Covered Service, including being Medically Necessary, as defined by this Benefit Booklet.

It is important to remember that any review of Medical Necessity we or GatorCare undertake is solely for the purposes of determining coverage, benefits, or payment under the terms of this Booklet and not for the purpose of recommending or providing medical care. In conducting a review of Medical Necessity, BCBSF or GatorCare may review specific medical facts or information pertaining to you. Any such review, however, is strictly for the purpose of determining whether a Health Care Service provided or proposed meets the definition of Medical Necessity in this Booklet. In applying the definition of Medical Necessity in this Booklet to a specific Health Care Service, coverage and payment guidelines then in effect may be applied by BCBSF or GatorCare.

All decisions that require or pertain to independent professional medical/clinical judgement or training, or the need for medical services, are solely your responsibility and that of your treating Physicians and health care Providers. You and your Physicians are responsible for deciding what medical care should be rendered or received and when that care should be provided. GatorCare is ultimately responsible for determining whether expenses incurred for medical care are covered under this Booklet. In making coverage decisions, neither BCBSF nor GatorCare will be deemed to participate in or override your decisions concerning your health or the medical decisions of your health care Providers.

Examples of hospitalization and other Health Care Services that are not Medically Necessary include, but are not limited to:

1. staying in the Hospital because arrangements for discharge have not been completed;
2. use of laboratory, x-ray, or other diagnostic testing that has no clear indication, or is not expected to alter your treatment;
3. staying in the Hospital because supervision in the home, or care in the home, is not available or is inconvenient; or being hospitalized for any Service which could have been provided adequately in an alternate setting (e.g., Hospital outpatient department or at home with Home Health Care Services); or
4. inpatient admissions to a Hospital, Skilled Nursing Facility, or any other facility for the purpose of Custodial Care, convalescent care, or any other Service primarily for the convenience of the patient or his or her family members or a Provider.
5. staying in a level of care and/or additional days in a provider setting solely to satisfy a requirement for a designation, licensure, or other requisite.

**Note: Whether or not a Health Care Service is specifically listed as an exclusion, the fact that a Provider may prescribe, recommend, approve, or furnish a Health Care Service does not mean that the Service is Medically Necessary (as defined by this Benefit Booklet) or a Covered Service. Please refer to the “Definitions” section for the definitions of “Medically Necessary” or “Medical Necessity”.**

## Section 5: Understanding Your Share of Health Care Expenses

This section explains what your share of the health care expenses will be for Covered Services you receive. In addition to the information explained in this section, it is important that you refer to your Schedule of Benefits to determine your share of the cost with regard to Covered Services.

**WARNING: LIMITED BENEFITS WILL BE PAID WHEN NONPARTICIPATING PROVIDERS ARE USED.** You should be aware that when you elect to utilize the services of a nonparticipating provider for a covered nonemergency service, benefit payments to the provider are not based upon the amount the provider charges. The basis of the payment will be determined according to your policy's out-of-network reimbursement benefit. Nonparticipating providers may bill insureds for any difference in the amount. **YOU MAY BE REQUIRED TO PAY MORE THAN THE COINSURANCE OR COPAYMENT AMOUNT.** Participating providers have agreed to accept discounted payments for services with no additional billing to you other than coinsurance, copayment, and deductible amounts. You may obtain further information about the providers who have contracted with your insurance plan by consulting your insurer's website or contacting your insurer or agent directly. **Deductible Requirement**

### **Individual Deductible**

This amount, when applicable, must be satisfied by you and each of your Covered Dependents each Benefit Period, before any payment will be made by the Group Health Plan. Only those charges indicated on claims received for Covered Services will be credited toward the individual Deductible and only up to the applicable Allowed Amount. Please see your Schedule of Benefits for more information.

### **Family Deductible**

If your plan includes a family Deductible, after the family Deductible has been met by your family, neither you nor your Covered Dependents will have any additional Deductible responsibility for the remainder of that Benefit Period. The maximum amount that any one Covered Person in your family can contribute toward the family Deductible, if applicable, is the amount applied toward the individual Deductible. Please see your Schedule of Benefits for more information.

### **Copayment Requirements**

Covered Services rendered by certain Providers or at certain locations or settings will be subject to a Copayment requirement. This is the dollar amount you have to pay when you receive these Services. Please refer to your Schedule of Benefits for the specific Covered Services which are subject to a Copayment. Listed below is a brief description of some of the Copayment requirements that may apply to your plan. If the Allowed Amount or the Provider's actual charge for a Covered Service rendered is less than the Copayment amount, you must pay the lesser of the Allowed Amount or the Provider's actual charge for the Covered Service.

#### **1. Office Services Copayment:**

If your plan is a Copayment plan, the Copayment for Covered Services rendered in the office (when applicable) must be satisfied by you, for each office Service before any payment will be made. The

office Services Copayment applies regardless of the reason for the office visit and applies to all Covered Services rendered in the office, with the exception of Durable Medical Equipment, Prosthetics, and Orthotics.

Generally, if more than one Covered Service that is subject to a Copayment is rendered during the same office visit, you will be responsible for a single Copayment which will not exceed the highest Copayment specified in the Schedule of Benefits for the particular Health Care Services rendered.

2. Inpatient Facility Copayment:

The inpatient facility Copayment must be satisfied by you, for each inpatient admission to a Hospital, Psychiatric Facility, or Substance Abuse Facility, before any payment will be made for any claim for inpatient Covered Services. The inpatient facility Copayment applies regardless of the reason for the admission, and applies to all inpatient admissions to a Hospital, Psychiatric Facility or Substance Abuse Facility in or outside the state of Florida. Additionally, you will be responsible for out-of-pocket expenses for Covered Services provided by Physicians and other health care professionals for inpatient admissions.

**Note:** Inpatient facility Copayments vary depending on the facility chosen. (Please see the Schedule of Benefits for more information).

3. Outpatient Facility Copayment:

The outpatient facility Copayment must be satisfied by you, for each outpatient visit to a Hospital, Ambulatory Surgical Center, Independent Diagnostic Testing Facility, Psychiatric Facility or Substance Abuse Facility, before any payment will be made for any claim for outpatient Covered Services. The Outpatient Facility Copayment applies regardless of the reason for the visit, and applies to all outpatient visits to a Hospital, Psychiatric Facility or Substance Abuse Facility in or outside the state of Florida. Additionally, you will be responsible for out-of-pocket expenses for Covered Services provided by Physician and other healthcare professionals.

**Note:** Outpatient facility Copayments vary depending on the facility chosen. (Please see the Schedule of Benefits for more information).

4. Copayment for Emergency Room Facility Services:

The Copayment for emergency room facility Services, if applicable to your plan, applies regardless of the reason for the visit, is in addition to any applicable Coinsurance amount, and applies to emergency room facility Services in or outside the state of Florida. The Copayment for emergency room facility Services, if applicable to your plan, must be satisfied by you for each visit. If you are admitted to the Hospital as an inpatient at the time of the emergency room visit, you will pay the Cost Share that applies to inpatient facility Services, as listed in your Schedule of Benefits.

## Coinsurance Requirements

All applicable Deductible or Copayment amounts must be satisfied before any portion of the Allowed Amount will be paid for Covered Services. For Services that are subject to Coinsurance, the Coinsurance percentage of the applicable Allowed Amount you are responsible for is listed in the Schedule of Benefits.

## **Out-of-Pocket Maximums**

### **Individual out-of-pocket maximum**

Once you have reached the individual out-of-pocket maximum amount listed in the Schedule of Benefits, you will have no additional out-of-pocket responsibility for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period.

### **Family out-of-pocket maximum**

If your plan includes a family out-of-pocket maximum, once your family has reached the family out-of-pocket maximum amount listed in the Schedule of Benefits, neither you nor your covered family members will have any additional out-of-pocket responsibility for the remainder of that Benefit Period and we will pay 100 percent of the Allowed Amount for Covered Services rendered during the remainder of that Benefit Period. The maximum amount any one Covered Person in your family can contribute toward the family out-of-pocket maximum, if applicable, is the amount applied toward the individual out-of-pocket maximum. Please see your Schedule of Benefits for more information.

**Note:** The Deductible, any applicable Copayments and Coinsurance amounts will accumulate toward the out-of-pocket maximums. Any benefit penalty reductions, non-covered charges or any charges in excess of the Allowed Amount will not accumulate toward the out-of-pocket maximums. If the Group has purchased Prescription Drug coverage, any applicable Cost Share under the Prescription Drug coverage, will not apply to the Deductible or the out-of-pocket maximums under this Booklet.

## **Prior Coverage Credit**

You will be given credit for the satisfaction or partial satisfaction of any Deductible and Coinsurance maximums met by you under a prior group insurance, blanket insurance, franchise insurance or group Health Maintenance Organization (HMO) policy or plan maintained by GatorCare if the coverage provided hereunder replaces such a policy or plan. This provision only applies if the prior group insurance, blanket insurance, franchise insurance, HMO or plan coverage was in effect immediately preceding the Effective Date of the coverage provided under this Benefit Booklet. This provision is only applicable for you during the initial Benefit Period of coverage under this Benefit Booklet and the following rules apply:

### **Prior Coverage Credit for Deductible:**

For the initial Benefit Period of coverage under this Benefit Booklet only, charges credited towards your Deductible requirement under the prior policy or plan, for Services rendered during the 90-day period immediately preceding the Effective Date of the coverage under this Benefit Booklet, will be credited to the Deductible requirement under this Booklet.

### **Prior Coverage Credit for Coinsurance:**

Charges credited by GatorCare's prior policy or plan, towards your Coinsurance Maximum, for Services rendered during the 90-day period immediately preceding the Effective Date of coverage under this Benefit Booklet, will be credited to your out-of-pocket maximum under this Booklet.

Prior coverage credit towards the Deductible or out-of-pocket maximums will only be given for Health Care Services which would have been Covered Services under this Booklet.

Prior coverage credit under this Booklet only applies at the initial enrollment of the entire Group. You and/or GatorCare are responsible for providing BCBSF with any information necessary for BCBSF to apply this prior coverage credit.

## **Benefit Maximum Carryover**

If immediately before the Effective Date of the coverage under this Benefit Booklet, you were covered under a prior GatorCare group plan insured or administered by BCBSF, amounts applied to your benefit maximums under the prior group plan, will be applied toward your benefit maximums under this Booklet.

## **Calculation of Cost Share**

You can get an estimate on our website at [www.floridablue.com](http://www.floridablue.com), of the Cost Share amount you will have to pay for certain Covered Services, as required under section 627.6385 of the Florida Statutes.

## **Additional Expenses You Must Pay**

In addition to your share of the expenses described above, you are also responsible for:

1. any applicable Copayments;
2. expenses incurred for non-covered Services;
3. charges in excess of any maximum benefit limitation listed in the Schedule of Benefits (e.g., the Benefit Period maximums);
4. charges in excess of the Allowed Amount for Covered Services rendered by Providers who have not agreed to accept the Allowed Amount as payment in full;
5. any benefit reductions;
6. payment of expenses for claims denied because we did not receive information requested from you regarding whether or not you have other coverage and the details of such coverage; and
7. charges for Health Care Services which are excluded.

Additionally, you are responsible for any contribution amount required by GatorCare.

## **Surprise Billing**

Sometimes you may receive Covered Services from Out-of-Network Providers who will not accept the Plan's payment as payment in full. Out-of-Network Providers in the specific situations described below are prohibited from balance billing you for amounts over what the Plan pays. Should you receive a bill for more than your Cost Share (as described below) from the Out-of-Network Provider in these situations, please send that information to us at the address on your ID card and we will attempt to work with the Out-of-Network Provider to appropriately honor their obligation to not balance bill you, if applicable.

### **Out-of-Network Services where I should not be balance billed**

Please note, in the following specific circumstances federal and/or Florida state law prohibits Out-of-Network Providers from balance billing you for receipt of Covered Services.

- **Emergency Services for an Emergency Medical Condition** provided at an Out-of-Network facility to Stabilize you (which may include part or all of an inpatient admission from the Emergency Room of an Out-of-Network Hospital); and
- **Certain non-Emergency Services or ancillary Services** provided by an Out-of-Network Provider at an In-Network facility including but not limited to:
  - Surgery
  - Pathology
  - Hospital Services
  - Anesthesiology
  - Radiology
  - Laboratory Services

**Note:** If the Out-of-Network Provider rendering the non-Emergency Services referenced above has given you the following, in advance: (a) the estimated charges for the Covered Services to be rendered; (b) notice that the Provider is an Out-of-Network Provider; and (c) notice for your approval in writing to the treatment to be rendered by the Out-of-Network Provider, then the Provider **may** be able to balance bill you and this Surprise Billing subsection will not apply.

- **Air Ambulance Services** if the Services are Covered Services under this Benefit Booklet regardless of whether or not the Services are due to an Emergency Medical Condition.

Please note that an authorization is never required for Covered Services for the treatment of an Emergency Medical Condition. Not all Air Ambulance Services are Covered Services under this Benefit Booklet. Please refer to the Ambulance Services category in the WHAT IS COVERED? section of this Benefit Booklet.

**Facility**, as used above means:

- hospital (as defined in section 1861 of the Social Security Act)
- hospital outpatient department
- critical access hospital (as defined in section 1861(mm)(1) of the Social Security Act)
- an ambulatory surgical center (as defined in section 1833(i)(1)(A) of the Social Security Act)
- and for an Emergency Medical Condition only, an independent freestanding emergency medical department

### **How Much the Plan will Pay Out-of-Network Providers**

Generally, Florida state law prohibits Out-of-Network Providers rendering Covered Services subject to this Surprise Billing section from balance billing you. If section 627.64194(4), Florida Statutes applies, then the Allowed Amount (i.e., the amount we base payment on) will generally be calculated in accordance with the definition within this Benefit Booklet. In certain circumstances, the Allowed Amount will be calculated for Out-of-Network Providers, including all Covered Services rendered by Out-of-Network Air Ambulance Providers, based upon the Median Contracted Rate. The term “Median Contracted Rate” as used here means, generally:

1. The rate that is the median contracted rate for all In-Network Providers for the same or similar item(s) or Service(s) for all plans offered by us:

- a) in the same insurance market (i.e., individual, small group or large group); and,
- b) provided in the same geographic region as the Covered Service provided to you.

**Important Note:** The above definition of “Median Contracted Rate” has been simplified here to make it easier to understand. The term “Median Contracted Rate”, as defined by federal law, is complicated. We will calculate the “Median Contracted Rate” more specifically in accordance with the federal law (and regulations then in effect) known as the federal No Surprises Act (H.R. 133, P.L. 116-260).

### **Calculating Your Share of the Cost**

If you receive Covered Services subject to this Surprise Billing subsection, your Cost Share (e.g., Deductibles and/or Coinsurance) will be calculated based upon the Allowed Amount the Plan initially paid the Out-of-Network Provider as described above. Should the Plan decide to pay more, or if the federal Independent Dispute Resolution Process results in the Plan paying the Out-of-Network Provider more, your Cost Share will not change.

Any Cost Share you paid with respect to Covered Services identified in this subsection will be applied toward your In-Network Deductible and out-of-pocket maximum, if applicable. We will provide notice of payment or denial no later than 30 calendar days after receipt of the bill from the Provider.

**Important Note:** It is not a surprise bill when you knowingly choose to go to an Out-of-Network Provider for a planned Service or have signed a consent as noted above, in advance for the Covered Services. In such a case, you are responsible for all charges.

### **How Benefit Maximums Will Be Credited**

Only amounts actually paid for Covered Services will be credited towards any applicable benefit maximums. The amounts paid which are credited towards your benefit maximums will be based on the Allowed Amount for the Covered Services provided.

# Section 6: Physicians, Hospitals and Other Provider Options

## Introduction

It is important for you to understand how the Provider you select and the setting in which you receive Health Care Services affects how much you are responsible for paying under this Booklet. This section, along with the Schedule of Benefits, describes the health care Provider options available to you and the payment rules for Services you receive.

As used throughout this section “out-of-pocket expenses” or “out-of-pocket” refers to the amounts you are required to pay including any applicable Copayments, the Deductible and/or Coinsurance amounts for Covered Services.

You are entitled to preferred provider type benefits when you receive Covered Services from In-Network Providers. You are entitled to traditional program type benefits at the point of service when you receive Covered Services from Traditional Program Providers or BlueCard Traditional Program Providers, in conformity with Section 7: BlueCard Program.

## Provider Participation Status

With BlueOptions, you may choose to receive Services from any Provider. However, you may be able to lower the amount you have to pay for Covered Services by receiving care from an In-Network Provider.

### Family Physician Program

We encourage you to select and develop a relationship with an In-Network Family Physician. There are several advantages to selecting a Family Physician (Family Practitioners, General Practitioners, Internal Medicine doctors, Pediatricians and OB/GYN's).

- Family Physicians are trained to provide a broad range of medical care and can be a valuable resource to coordinate your overall healthcare needs.
- Developing and continuing a relationship with a Family Physician allows the Physician to become knowledgeable about you and your family's health history.
- A Family Physician can help you determine when you need to visit a specialist and also help you find one based on their knowledge of you and your specific health care needs.
- Care rendered by Family Physicians usually results in lower out-of-pocket expenses for you.

We will check our records periodically to see if you have visited a Family Physician. If not, we may provide your name and contact information to an In-Network Family Physician who will call you and offer to schedule a wellness visit. This program is completely voluntary and although we encourage you to schedule this visit, you are not obligated to do so. The applicable Family Physician Cost Share will apply to this visit.

You are responsible for checking to see if a Provider is In-Network for your plan prior to receiving Services. To find out if a Provider is In-Network, refer to the current Provider directory at [www.floridablue.com](http://www.floridablue.com) or call the customer service phone number on your ID Card.

This Plan has three (3) levels of benefits –GatorCare Provider Tier 1, BlueOptions/NetworkBlue Tier 2 (participating PAR providers) benefits and Out-of-Network Tier 3 (Non-PAR provider) benefits, payable as shown in the Schedule of Benefits section. You may select any provider to provide your medical care.

In most cases, if you receive services from a Tier 1 provider, this Plan will pay a higher percentage of benefits and you will have lower out-of-pocket costs. You are responsible for any applicable deductibles, coinsurance amounts and/or copayments. If you receive services from a PAR Tier 2 (BlueOptions/NetworkBlue) provider your out-of-pocket costs will be higher. If you receive services from a Non-PAR Tier 3 provider, this Plan will pay benefits at a lower percentage and you will pay a larger share of the costs. Since Non-PAR Tier 3 providers do not have contractual arrangements with BCBSF to accept discounted or negotiated fees, they may bill you for charges in excess of the maximum allowable fee.

You are responsible for charges in excess of the maximum allowable fee in addition to any applicable deductibles, coinsurance amounts and/or copayments. Any amount you pay to the provider in excess of your coinsurance or copayment will not apply to your out-of-pocket limit or deductible.

In the event that a specific medical service cannot be provided by or through a PAR Tier 1 or Tier 2 provider, a covered person is entitled to coverage for medically necessary covered expenses obtained through a Non-PAR Tier 3 provider when approved by this Plan on a case by case basis.

For specific benefit information per Tier, refer to the schedule of benefits.

We will check our records periodically to see if you have visited a Family Physician. If not, we may provide your name and contact information to an In-Network Family Physician who will call you and offer to schedule a wellness visit. This program is completely voluntary and although we encourage you to schedule this visit, you are not obligated to do so. The applicable Family Physician Cost Share will apply to this visit.

You are responsible for checking to see if a Provider is In-Network for your plan prior to receiving Services. To find out if a Provider is In-Network, refer to the current Provider directory at [GatorCare.org](http://GatorCare.org) or call the customer service phone number on your ID Card.

## **Location of Service**

In addition to the participation status of the Provider, the location or setting where you receive Services can affect the amount you pay. For example, the amount you are responsible for paying out-of-pocket will vary whether you receive Services in a Hospital, a Provider's office, or an Ambulatory Surgical Center. Please refer to your Schedule of Benefits for specific information regarding your out-of-pocket expenses for such situations. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the "What Is Covered?" section and your Schedule of Benefits to find out if the specific Health Care Services are covered and how much you will have to pay. You should also consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

## **To verify if a Provider is In-Network for your plan you can:**

1. If in Florida, access the GatorCare Provider directory at [GatorCare.org](http://GatorCare.org) web-site and/or
2. If outside of Florida, access the on-line BlueCard Doctor and Hospital Finder at [www.floridablue.com](http://www.floridablue.com); and/or
3. call the customer service phone number in this Booklet or on your Identification Card.

Please remember that changes to Provider network participation can occur at any time. Consequently, it is your responsibility to determine whether a specific Provider is In-Network at the time you receive Covered Services.

## **In-Network Providers**

When you use In-Network Providers, your out-of-pocket expenses for Covered Services may be lower. Payment will be based on the Allowed Amount and your share of the cost will be at the In-Network benefit level listed in the Schedule of Benefits.

## **Out-of-Network Providers**

When you use Out-of-Network Providers your out-of-pocket expenses for Covered Services will be higher. We will base our payment on the Allowed Amount at the Coinsurance percentage listed in the Schedule of Benefits. Further, if the Out-of-Network Provider is a Traditional Program Provider or a BlueCard Traditional Program Provider, our payment to such Provider may be under the terms of that Provider's contract. If your Schedule of Benefits and BlueOptions Provider directory do not include a Provider as In-Network under your benefit plan, the Provider is considered Out-of-Network.

Further, under the BlueCard Program, when you receive Covered Services from a BlueCard Traditional Program Provider, you may be responsible for paying the difference between what the Host Blue pays and the Provider's billed charge.</li> </ul>

**Note:** You are solely responsible for selecting a Provider when obtaining Health Care Services and for verifying whether that Provider is In-Network or Out-of-Network. You are also responsible for determining the corresponding payment options, if any, at the time the Health Care Services are rendered.

## Physicians

When you receive Covered Services from a Physician you will be responsible for a Copayment and/or the Deductible and the applicable Coinsurance. Several factors will determine your out-of-pocket expenses including your Schedule of Benefits, whether the Physician is In-Network or Out-of-Network, the location of service, the type of Service rendered, and the Physician's specialty.

Remember that the location or setting where a Service is rendered can affect the amount you are responsible for paying out-of-pocket. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the Schedule of Benefits and consult with your Physician to determine the most appropriate setting based on your health care and financial needs.

Refer to your Schedule of Benefits to determine the applicable Copayments, Coinsurance percentage and/or Deductible amount you are responsible for paying for Physician Services.

## Hospitals

Each time you receive inpatient or outpatient Covered Services at a Hospital, in addition to any out-of-pocket expenses related to Physician Services, you will be responsible for out-of-pocket expenses related to Hospital Services.

In-Network Hospitals have been divided into two groups that are referred to as "options" on the Schedule of Benefits. The amount you are responsible for paying out-of-pocket is different for each of these options. Remember that there are also different out-of-pocket expenses for Out-of-Network Hospitals.

Since not all Physicians admit patients to every Hospital, it is important when choosing a Physician that you determine the Hospitals where your Physician has admitting privileges. You can find out what Hospitals your Physician admits to by contacting the Physician's office. This will provide you with information that will help you determine a portion of what your out-of-pocket costs may be in the event you are hospitalized.

Refer to your Schedule of Benefits to determine the applicable out-of-pocket expenses you are responsible for paying for Hospital Services.

## Specialty Pharmacy

Certain medications, such as injectable, oral, inhaled and infused therapies used to treat complex medical Conditions are typically more difficult to maintain, administer and monitor when compared to traditional Drugs. Specialty Drugs may require frequent dosage adjustments, special storage and handling and may not be readily available at local pharmacies or routinely stocked by Physicians' offices, mostly due to the high cost and complex handling they require.

Using the Specialty Pharmacy to provide these Specialty Drugs should lower the amount you have to pay for these medications, while helping to preserve your benefits.

## Other Providers

With BlueOptions you have access to other Providers in addition to the ones previously described in this section. Other Providers include facilities that provide alternative outpatient settings or other persons and entities that specialize in a specific Service(s). While these Providers may be recognized for payment,

they may not be included as In-Network Providers for your plan. Additionally, all of the Services that are within the scope of certain Providers' licenses may not be Covered Services under this Booklet. Please refer to the "What Is Covered?" and "What Is Not Covered?" sections of this Booklet and your Schedule of Benefits to determine your out-of-pocket expenses for Covered Services rendered by these Providers.

You may be able to receive certain outpatient Services at a location other than a Hospital. The amount you are responsible for paying for Services rendered at some alternative facilities is generally less than if you had received those same Services at a Hospital.

Remember that the location of service can impact the amount you are responsible for paying out-of-pocket. After you and your Physician have determined the plan of treatment most appropriate for your care, you should refer to the Schedule of Benefits and consult with your Physician to determine the most appropriate setting based on your health care and financial needs. When Services are rendered at an outpatient facility other than a Hospital there may be an out-of-pocket expense for the facility Provider as well as an out-of-pocket expense for other types of Providers.

## **Continuity of Coverage and Care Upon Termination of a Provider Contract Under Federal Law**

Federal law (42 U.S. Code § 300gg –113) provides for continuity of Services for enrollees of health plans when there is a change in the plans' Provider network resulting in a Provider no longer being In-Network for the enrollee's benefit plan. These protections extend to individuals defined as a "Continuing Care Patient" and include patients who are undergoing a course of treatment for:

1. a serious or complex Condition,
  - a) in the case of an acute illness, a Condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm, or
  - b) in the case of a chronic illness or Condition, a Condition that:
    - i. is life-threatening, degenerative, potentially disabling, or congenital; and
    - ii. requires specialized medical care over a prolonged period of time.
2. institutional or inpatient care,
3. a scheduled non-elective surgery including postoperative care.
4. pregnancy; or
5. a terminal illness.

Such patients will have up to 90 days of continued coverage at the In-Network Cost Share to allow for a transition of care to an In-Network Provider

## **Assignment of Benefits to Providers**

Except as set forth in the last paragraph of this section, any of the following assignments, or attempted assignments, by you to any Provider will not be honored:

- an assignment of the benefits due to you for Covered Services under this Benefit Booklet;

- an assignment of your right to receive payments for Covered Services under this Benefit Booklet; or
- an assignment of a claim for damage resulting from a breach, or an alleged breach of the terms of this Benefit Booklet.

We specifically reserve the right to honor an assignment of benefits or payment by you to a Provider who: 1) is In-Network under your plan of coverage; 2) is a NetworkBlue Provider even if that Provider is not in the panel for your plan of coverage; 3) is a Traditional Program Provider; 4) is a BlueCard PPO Program Provider; 5) is a BlueCard Traditional Program Provider; 6) is a licensed Hospital, Physician, or dentist and the benefits which have been assigned are for care provided pursuant to section 395.1041, *Florida Statutes* ; or 7) is an Ambulance Provider that provides transportation for Services from the location where an "emergency medical condition", defined in section 395.002(8) *Florida Statutes*, first occurred to a Hospital, and the benefits which have been assigned are for transportation to care provided pursuant to section 395.1041, *Florida Statutes*. A written attestation of the assignment of benefits may be required.

# Section 7: BlueCard® Program

## Out-of-Area Services

### Overview

We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called “Inter-Plan Arrangements.” These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association (“Association”). Whenever you access Health Care Services outside Florida, the claim for those Services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of Florida, you will receive it from one of two kinds of Providers. Most Providers (“Participating Providers”) contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area (“Host Blue”). Some Providers (“Nonparticipating Providers”) don’t contract with the Host Blue. We explain below how both kinds of Providers are paid.

### Inter-Plan Arrangements Eligibility – Claim Types

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care benefits except when paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by us to provide the specific Service or Services.

### BlueCard Program

Under the BlueCard Program, when you receive Covered Services within the geographic area served by a Host Blue, we will remain responsible for fulfilling our contractual obligations to you. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When you receive Covered Services outside of Florida and the claim is processed through the BlueCard Program, the amount you pay for Covered Services is calculated based on the lower of:

- The billed charges for Covered Services; or
- The negotiated price that the Host Blue makes available to us.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to your Provider. Sometimes, it is an estimated price that takes into account special arrangements with your Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we have used for your claim because they will not be applied after a claim has already been paid.

### **Special Cases: Value-Based Programs**

If you receive Covered Services under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to us through average pricing or fee schedule adjustments. Additional information is available upon request.

### **Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees**

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to self-funded accounts. If applicable, we will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

### **Nonparticipating Providers Outside Florida**

When Covered Services are provided outside of Florida by Nonparticipating Providers, payment will be based on the Allowed Amount, as defined in the DEFINITIONS section of the Benefit Booklet.

### **Blue Cross Blue Shield Global Core™® Program**

If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard Service Area"), you may be able to take advantage of the Blue Cross Blue Shield Global Core Program when accessing Covered Services. The Blue Cross Blue Shield Global Core Program is unlike the BlueCard Program available in the BlueCard Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global Core Program assists you with accessing a network of inpatient, outpatient and professional Providers, the network is not served by a Host Blue. As such, when you receive care from Providers outside the BlueCard Service Area, you will typically have to pay the Providers and submit the claims yourself to obtain reimbursement for these Services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard Service Area, you should call the Blue Cross Blue Shield Global Core Service Center at 1.800.810.BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

### **Inpatient Services**

In most cases, if you contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require you to pay for inpatient Covered Services, except for your Cost Share amounts. In such cases, the hospital will submit your claims to the Blue Cross Blue Shield Global Core Service Center to begin claims processing. However, if you paid in full at the time of Service, you must submit a claim to receive reimbursement for Covered Services. **You must notify us of any non-emergency inpatient Services.**

### **Outpatient Services**

Physicians, Urgent Care Centers and other outpatient Providers located outside the BlueCard Service Area will typically require you to pay in full at the time of Service. You must submit a claim to obtain reimbursement for Covered Services.

### **Submitting a Blue Cross Blue Shield Global Core Claim**

When you pay for Covered Services outside the BlueCard Service Area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a Blue Cross Blue Shield Global Core International claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global Core Service Center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from the Blue Cross Blue Shield Global Core Service Center or online at [www.bcbsglobalcore.com](http://www.bcbsglobalcore.com). If you need assistance with your claim submission, you should call the Blue Cross Blue Shield Global Core Service Center at 800-810-BLUE (2583) or call collect at 804-673-1177, 24 hours a day, seven days a week.

# Section 8: Blueprint for Health Programs

## Introduction

BCBSF has established (and from time to time establishes) various customer-focused health education and information programs as well as benefit utilization management and utilization review programs. Under the terms of the ASO Agreement between BCBSF and GatorCare, BCBSF has agreed to make these programs available to you. These programs, collectively called the Blueprint for Health Programs, are designed to 1) provide you with information that will help you make more informed decisions about your health; 2) help facilitate the management and review of coverage and benefits provided under this Booklet; and 3) present opportunities, as explained below, to mutually agree upon alternative benefits or payment alternatives for cost-effective medically appropriate Health Care Services. **Some BluePrint For Health Programs may not be available outside the state of Florida.**

## Admission Notification

The admission notification requirements vary depending on whether you are admitted to a Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility which is In-Network or Out-of-Network.

### In-Network

Under the admission notification requirement, we must be notified of all inpatient admissions (i.e., elective, planned, urgent or emergency) to In-Network Hospitals, Psychiatric Facilities, Substance Abuse Facilities or Skilled Nursing Facilities. While it is the sole responsibility of the In-Network Provider located in Florida to comply with our admission notification requirements, you should ask the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility (as applicable) if we have been notified of your admission. For an admission outside of Florida, you or the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility (as applicable) should notify us of the admission. Making sure that we are notified of your admission will enable us to provide you information about the Blueprint for Health Programs available to you. You or the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility (as applicable) may notify us of your admission by calling the toll free customer service number on your ID card.

### Out-of-Network

For admissions to an Out-of-Network Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility, you or the Hospital, Psychiatric Facility, Substance Abuse Facility or Skilled Nursing Facility should notify BCBSF of the admission. Notifying BCBSF of your admission will enable BCBSF to provide you information about the Blueprint for Health Programs available to you. You or the Hospital may notify BCBSF of your admission by calling the toll-free customer service number on your ID card.

## Inpatient Facility Program

Under the inpatient facility program, we may review Hospital stays, Hospice, Inpatient Rehabilitation, LTAC and Skilled Nursing Facility (SNF) Services, and other Health Care Services rendered during the course of an inpatient stay or treatment program. We may conduct this review while you are inpatient, after your discharge, or as part of a review of an episode of care when you are transferred from one level of inpatient care to another for ongoing treatment. The review is conducted solely to determine whether

we should provide coverage and/or payment for a particular admission or Health Care Services rendered during that admission. Using our established criteria then in effect, a concurrent review of the inpatient stay may occur at regular intervals, including in advance of a transfer from one inpatient facility to another. We will provide notification to your Physician when inpatient coverage criteria are no longer met. In administering the inpatient facility program, we may review specific medical facts or information and assess, among other things, the appropriateness of the Services being rendered, health care setting and/or the level of care of an inpatient admission or other health care treatment program. Any such reviews by us, and any reviews or assessments of specific medical facts or information which we conduct, are solely for purposes of making coverage or payment decisions under this Benefit Booklet and not for the purpose of recommending or providing medical care.

## **Provider Focused Utilization Management Program**

Certain NetworkBlue Providers have agreed to participate in our focused utilization management program. This pre-service review program is intended to promote the efficient delivery of medically appropriate Health Care Services by NetworkBlue Providers. Under this program we may perform focused prospective reviews of all or specific Health Care Services proposed for you. In order to perform the review, we may require the Provider to submit to us specific medical information relating to Health Care Services proposed for you. These NetworkBlue Providers have agreed not to bill, or collect, any payment whatsoever from you or us, or any other person or entity, with respect to a specific Health Care Service if:

1. they fail to submit the Health Care Service for a focused prospective review when required under the terms of their agreement with us; **or**
2. we perform a focused review under the focused utilization management program and we determine that a Health Care Service is not Medically Necessary in accordance with our Medical Necessity criteria or inconsistent with our benefit guidelines then in effect unless the following exception applies.

### Exception for Certain NetworkBlue Physicians

Certain NetworkBlue Physicians licensed as Doctors of Medicine (M.D.) or Doctors of Osteopathy (D.O.) only may bill you for Services determined to be not Medically Necessary by BCBSF under this focused utilization management program if, **before** you receive the Service:

- a. they give you a written estimate of your financial obligation for the Service;
- b. they specifically identify the proposed Service that BCBSF has determined not to be Medically Necessary; and
- c. you agree to assume financial responsibility for such Service.

## **Prior Coverage Authorization/Pre-Service Notification Programs**

It is important for you to understand our prior coverage authorization programs and how the Provider you select and the type of Service you receive affects these requirements and ultimately how much you will have to pay under this Booklet.

You or your Physician will be required to obtain prior coverage authorization from us for Covered Services listed below. You are solely responsible for getting any required authorization before Services are rendered regardless of whether the Service is being rendered by an In-Network Provider or Out-of-Network Provider.

For details on how to obtain prior coverage authorization for these Services, please call the customer service phone number on your ID Card.

### **Services that Require Prior Authorization**

#### Advanced Diagnostic Imaging Services

You must obtain an authorization for advanced diagnostic imaging Services such as CT scans, MRIs, MRA and nuclear imaging, when rendered or referred by a Provider **before** the advanced diagnostic imaging Services are provided. **If you do not obtain prior coverage authorization this plan will deny coverage for the Services and not make any payment for such Services.**

#### Applied Behavioral Analysis

You must obtain an authorization for Applied Behavioral Analysis for Autism Spectrum Disorder or Down Syndrome, **before** the Services are provided. **If you do not obtain prior coverage authorization this plan will not make any payment for such Services.**

#### Approved Clinical Trials

You must obtain an authorization for Services rendered in connection with Approved Clinical Trials, when rendered or referred by a Provider before you obtain routine patient care provided in connection with an Approved Clinical Trial. If you do not obtain prior coverage authorization this plan will not make any payment for such Services.

#### Other Health Care Services

In the case of other Health Care Services under a prior coverage authorization or pre-service notification program, you must obtain an authorization or comply with any pre-service notification requirements when rendered or referred by a Provider, **before** the Services are provided.

We will inform you of any Health Care Service that is or will become subject to a prior coverage authorization or pre-service notification program, including how you can obtain prior coverage authorization and/or provide the pre-service notification for such Service. This information will be provided to you upon enrollment, or at least 30 days prior to such Services becoming subject to a prior coverage authorization or pre-service notification program. Such information may be provided to you electronically, if you have elected the delivery of notifications from us in that manner. Changes to the list of other Health Care Services that require prior authorization shall occur no more frequently than twice in a Calendar Year.

### **Additional Information**

Once the necessary medical documentation has been received from you and/or the Provider, Florida Blue or a designated vendor, will review the information and make a prior coverage authorization decision, based on our established criteria then in effect. You will be notified of the prior coverage authorization decision.

If you do not obtain authorization or provide pre-service notification, we may:

1. deny payment of the claim; or

2. apply a benefit penalty when the claim is presented to us for payment consisting of one of the following:
  - a. \$500
  - b. 20% of the total Allowed Amount of the claim; or
  - c. The lesser of \$500 or 20% of the total Amount of the claim.

The decision to apply a penalty or deny the claim will be made uniformly and the applicable denial/penalty will be identified in the notice describing the prior coverage authorization and pre-service notification programs.

**Note:**

1. Prior coverage authorization is not required when Emergency Services are rendered for the treatment of an Emergency Medical Condition.
2. Prior coverage authorizations expire on the earlier of, but not to exceed 12 months:
  - a. the termination date of your policy, or
  - b. the period authorized by us, as indicated in the letter you receive from us.

Subject to our review and approval, we may authorize continued coverage of a previously approved Service. To request a continuation we must receive appropriate documentation from your Provider. The fact that we may have previously authorized coverage does not guarantee a continued authorization.

See the CLAIMS PROCESSING section for information on what you can do if prior coverage authorization is denied.

## **Member Focused Programs**

The Blueprint for Health Programs may include voluntary programs for certain members. These programs may address health promotion, prevention and early detection of disease, chronic illness management programs, case management programs and other member focused programs.

### **Personal Case Management Program**

The personal case management program focuses on members who suffer from a catastrophic illness or injury. In the event you have a catastrophic or chronic Condition, we may, in BCBSF's sole discretion, assign a Personal Case Manager to you to help coordinate coverage, benefits, or payment for Health Care Services you receive. Your participation in this program is completely voluntary.

Under the personal case management program, you may be offered alternative benefits or payment for cost-effective Health Care Services. These alternative benefits or payments may be made available on a case-by-case basis when you meet BCBSF's case management criteria then in effect. Such alternative benefits or payments, if any, will be made available in accordance with a treatment plan with which you, or your representative, and your Physician agree to in writing. In addition, GatorCare will be required to specifically agree to such treatment plan and the alternative benefits or payment.

The fact that certain Health Care Services under the personal case management program have been provided or payment has been made in no way obligates BCBSF, GatorCare, or the Group Health Plan to continue to provide or pay for the same or similar Services. Nothing contained in this section shall be

deemed a waiver of GatorCare's right to enforce this Booklet in strict accordance with its terms. The terms of this Booklet will continue to apply, except as specifically modified in writing in accordance with the personal case management program rules then in effect.

### **Health Information, Promotion, Prevention and Illness Management Programs**

These Blueprint for Health Programs may include health information that supports health care education and choices for healthcare issues. These programs focus on keeping you well, help to identify early preventive measures of treatment and help covered individuals with chronic problems to enjoy lives that are as productive and healthy as possible. These programs may include prenatal educational programs and illness management programs for Conditions such as diabetes, cancer and heart disease. These programs are voluntary and are designed to enhance your ability to make informed choices and decisions for your unique health care needs. You may call the toll free customer service number on your ID card for more information. Your participation in this program is completely voluntary.

### **IMPORTANT INFORMATION RELATING TO BCBSF'S BLUEPRINT FOR HEALTH PROGRAMS**

All decisions that require or pertain to independent professional medical/clinical judgment or training, or the need for medical services, are solely your responsibility and the responsibility of your Physicians and other health care Providers. You and your Physicians are responsible for deciding what medical care should be rendered or received, and when and how that care should be provided. GatorCare is ultimately responsible for determining whether expenses, which have been or will be incurred for medical care are, or will be, covered under this Booklet. In fulfilling this responsibility, neither BCBSF nor GatorCare will be deemed to participate in or override the medical decisions of your health care Provider.

Please note that the Hospital admission notification requirement and any Blueprint for Health Program may be discontinued or modified at any time without notice to you or your consent.

### **Coverage Protocol Exemption Request**

In some cases, Services under this Booklet require you to complete use of another Prescription Drug, medical procedure, or course of treatment other than the one requested by your treating Physician, before coverage will be authorized/granted. Florida Statute 627.42393 permits you to request a protocol exemption in order to receive coverage without completing our coverage protocol for the Prescription Drug, medical procedure, or course of treatment. If we deny the coverage protocol exemption request, we will provide you with a written explanation of the reason for the denial, the clinical rationale that supports the denial, and the procedure for appealing the denial. In some instances, the process for appealing a denied coverage protocol exemption request will be your formal appeal of an Adverse Benefit Determination process as outlined in the CLAIMS PROCESSING section of this Booklet.

Information on how to request a coverage protocol exemption or to appeal a denial of a request for exemption can be found on our website at <https://www.floridablue.com/docview/coverage-protocol-exemption-request/>.

## Section 9: Eligibility for Coverage

Each employee or other individual who is eligible to participate in the Group Health Plan, and who meets and continues to meet the eligibility requirements described in this Booklet, shall be entitled to apply for coverage under this Booklet. These eligibility requirements are binding upon you and/or your eligible family members. No changes in the eligibility requirements will be permitted except as permitted by GatorCare. Acceptable documentation may be required as proof that an individual meets and continues to meet the eligibility requirements such as a court order naming the Eligible Employee as the legal guardian or appropriate adoption documentation described in the “Enrollment and Effective Date of Coverage” section. Refer to your employer for specific eligibility substantiation requirements. This may vary by employer entity within the GatorCare plan.

### **Eligibility Requirements for Covered Plan Participants**

In order to be eligible to enroll as a Covered Plan Participant, an individual must be an Eligible Employee. An Eligible Employee must meet each of the following requirements:

1. The employee must be a bona fide employee of a GatorCare participating employer group;
2. The employee's job must fall within a job classification identified by the GatorCare participating employer group;
3. The employee must have completed any applicable Waiting Period determined by the GatorCare participating employer group; and
4. The employee must meet any additional eligibility requirement(s) required by GatorCare and/or the GatorCare participating employer group.

GatorCare's coverage eligibility classifications may be expanded to include:

1. retired employees;
2. additional job classifications;
3. employees of affiliated or subsidiary companies of GatorCare participating employer groups; and
4. other individuals as determined by GatorCare.

GatorCare shall have sole discretion concerning the expansion of eligibility classifications.

### **Eligibility Requirements for Dependent(s)**

An individual who meets the eligibility criteria specified below is an Eligible Dependent and is eligible to apply for coverage under this Booklet:

1. The Covered Plan Participant's spouse under a legally valid existing marriage.
2. The Covered Plan Participant's natural, newborn, adopted, Foster, or step child(ren) (or a child for whom the Covered Plan Participant has been court-appointed as legal guardian or legal custodian) who has not reached the end of the Calendar Year in which he or she reaches age 26 (or in the case of a Foster Child, is no longer eligible under the Foster Child Program), regardless of the dependent child's student or marital status, financial dependency on the Covered Plan Participant, whether the

dependent child resides with the Covered Plan Participant, or whether the dependent child is eligible for or enrolled in any other group health plan.

3. The newborn child of a Covered Dependent child. Coverage for such newborn child will automatically terminate the earlier of 18 months of age or the date that the covered dependent (child of employee) is no longer on the plan.

**Note:** It is the Covered Plan Participant's sole responsibility to establish that a child meets the applicable requirements for eligibility.

### **Children with Disabilities**

In the case of a dependent child with an intellectual or physical disability, such child is eligible to continue coverage as a Covered Dependent, beyond the age of 26 if the child is:

1. otherwise eligible for coverage under the Group Health Plan;
2. incapable of self-sustaining employment by reason of intellectual or physical disability; and
3. chiefly dependent upon the Covered Plan Participant for support and maintenance provided that the symptoms or causes of the child's intellectual or physical disability existed prior to the child's 26<sup>th</sup> birthday.

This eligibility will end on the last day of the month in which the dependent child no longer meets these requirements.

### **Dual Enrollment Exclusion**

Members who are employed by the same employer may not be dually enrolled. One plan does not act as secondary insurance to the other, so there is no added benefit by being dually enrolled.

Examples of what is not allowed include the following:

1. Two married employees each enroll in the same employer health plan and cover each other and/or their children under the other's plan.
2. A child who is covered under their parent's health plan goes to work for the same employer and enrolls in their own health plan.

## Section 10: Enrollment and Effective Date of Coverage

Eligible Employees and Eligible Dependents may enroll for coverage according to the provisions below.

Any Eligible Employee or Eligible Dependent who is not properly enrolled will not be covered under this Benefit Booklet. Neither BCBSF nor GatorCare will have any obligation whatsoever to any individual who is not properly enrolled.

Any Employee or Eligible Dependent who is eligible for coverage under this Booklet may apply for coverage according to the provisions set forth below.

### Enrollment Forms/Electing Coverage

To apply for coverage, you as the Eligible Employee must:

1. complete and submit, through GatorCare, the Enrollment Form;
2. provide any additional information needed to determine eligibility, at the request of BCBSF or GatorCare;
3. pay any required contribution; and
4. complete and submit, through GatorCare, an Enrollment Form to add Eligible Dependents.

When making application for coverage, you must elect one of the types of coverage available under GatorCare's program. Such types may include:

**Employee Only Coverage** - This type of coverage provides coverage for the Employee only.

**Employee/Spouse Coverage** - This type of coverage provides coverage for the Employee and the employee's spouse under a legally valid existing marriage.

**Employee/Child(ren) Coverage** - This type of coverage provides coverage for the Employee and the employee's covered child(ren) only.

**Employee/Family Coverage** - This type of coverage provides coverage for the Employee and the employee's Covered Dependents.

There may be additional contribution amounts for each Covered Dependent based on the coverage selected by GatorCare.

### Enrollment Periods

The enrollment periods for applying for coverage are as follows:

**Initial Enrollment Period** is the period of time during which an Eligible Employee or Eligible Dependent is first eligible to enroll. It starts on the Eligible Employee's or Eligible Dependent's initial date of eligibility and ends no less than 60 days later.

**Annual Open Enrollment Period** is the period of time during which each Eligible Employee is given an opportunity to select coverage from among the alternatives included in GatorCare's health benefit program. The period is established by GatorCare, occurs annually, and will take place when specified by GatorCare.

**Special Enrollment Period** is the 60-day period of time immediately following a special circumstance during which an Eligible Employee or Eligible Dependent may apply for coverage. Special circumstances are described in the Special Enrollment Period subsection.

## **Employee Enrollment**

An Eligible Employee who fails to enroll during the Initial Enrollment Period will not be covered and may only enroll under this Benefit Booklet during the next Annual Open Enrollment Period established by GatorCare, or in the case of a Special Enrollment event, during the Special Enrollment Period. The Effective Date will be the date specified by GatorCare.

## **Dependent Enrollment**

An individual may be added upon becoming an Eligible Dependent of a Covered Plan Participant. Below are special rules for certain Eligible Dependents.

**Newborn Child** – To enroll a newborn child who is an Eligible Dependent, the Covered Plan Participant must submit an Enrollment Form to BCBSF through GatorCare during the 60-day period immediately following the date of birth. The Effective Date of coverage for a newborn child will be the date of birth.

If timely notice is given, no additional contribution will be charged for coverage of the newborn child for not less than 60 days after the birth of the child. If timely notice is not received, the applicable contribution will be charged from the date of birth. The applicable contribution for the child will be charged after the initial 60-day period in either case. Coverage will not be denied for a newborn child if the Covered Plan Participant provides notice to GatorCare and an Enrollment Form is received within the 60-day period of the birth of the child and any applicable contribution is paid back to the date of birth.

If the newborn is not enrolled within sixty days of the date of birth, the newborn child will not be covered, and may only be enrolled under this Benefit Booklet during an Annual Open Enrollment Period, or in the case of a Special Enrollment event, during the Special Enrollment Period.

**Note:** Coverage for a newborn child of a covered dependent will automatically terminate the earlier of 18 months of age or the date that the covered dependent (child of employee) is no longer on the plan.

**Adopted Newborn Child** – To enroll an adopted newborn child, the Covered Plan Participant must submit an Enrollment Form through GatorCare to BCBSF during the 60-day period immediately following the date of birth. The Effective Date of coverage for an adopted newborn child, eligible for coverage, will be the moment of birth, provided that a written agreement to adopt such child has been entered into by the Covered Plan Participant prior to the birth of such child, whether or not such an agreement is enforceable. The Covered Plan Participant may be required to provide any information and/or documents that are deemed necessary in order to administer this provision.

If timely notice is given, no additional contribution will be charged for coverage of the adopted newborn child for not less than 60 days after the birth of the child. If timely notice is not received, the applicable contribution will be charged from the date of birth. The applicable contribution for the child will be charged after the initial 60-day period in either case. Coverage will not be denied for an adopted newborn child if the Covered Plan Participant provides notice to GatorCare and an Enrollment Form is received within the 60-day period of the birth of the adopted newborn child and any applicable contribution is paid back to the date of birth.

If the adopted newborn child is not enrolled within sixty days of the date of birth, the adopted newborn child will not be covered, and may only be enrolled under this Benefit Booklet during an Annual Open Enrollment Period, or in the case of a Special Enrollment event, during the Special Enrollment Period.

If the adopted newborn child is not ultimately placed in the residence of the Covered Plan Participant, there shall be no coverage for the adopted newborn child. It is your responsibility to notify GatorCare within ten calendar days of the date that placement was to occur if the adopted newborn child is not placed in your residence.

**Adopted/Foster Children** – To enroll an adopted or Foster Child, the Covered Plan Participant must submit an Enrollment Form during the 60-day period immediately following the date of placement. The Effective Date for an adopted or Foster child (other than an adopted newborn child) will be the date such adopted or Foster child is placed in the residence of the Covered Plan Participant in compliance with applicable law. The Covered Plan Participant may be required to provide any information and/or documents deemed necessary in order to properly administer this section.

In the event GatorCare is not notified within 60 days of the date of placement, the child will be added as of the date of placement so long as Covered Plan Participant provides notice to GatorCare, and we receive the Enrollment Form within 60 days of the placement. If the adopted or Foster Child is not enrolled within sixty days of the date of placement, the adopted or Foster Child will not be covered, and may only be enrolled under this Benefit Booklet during an Annual Open Enrollment Period, or in the case of a Special Enrollment event, during the Special Enrollment Period. For all children covered as adopted children, if the final decree of adoption is not issued, coverage shall not be continued for the proposed adopted Child. Proof of final adoption must be submitted to BCBSF through GatorCare. It is the responsibility of the Covered Plan Participant to notify BCBSF through GatorCare if the adoption does not take place. Upon receipt of this notification, we will terminate the coverage of the child as of the Effective Date of the adopted child upon receipt of the written notice.

If the Covered Plan Participant's status as a foster parent is terminated, coverage will end for any Foster Child. It is the responsibility of the Covered Plan Participant to notify BCBSF through GatorCare that the Foster Child is no longer in the Covered Plan Participant's care. Upon receipt of this notification, coverage for the child will be terminated on the date the Covered Plan Participant's status as a foster parent terminated.

**Marital Status** –The Covered Plan Participant may apply for coverage of an Eligible Dependent due to a legally valid marriage. To apply for coverage, the Covered Plan Participant must complete the Enrollment Form through GatorCare and forward it to BCBSF. The Covered Plan Participant must make application for enrollment within 60 days of the marriage. The Effective Date of coverage for an Eligible Dependent who is enrolled as a result of marriage is the date of the marriage.

**Court Order** – The Covered Plan Participant may apply for coverage for an Eligible Dependent outside of the Initial Enrollment Period and Annual Open Enrollment Period if a court has ordered coverage to be provided for a minor child under their group coverage. To apply for coverage, the Covered Plan Participant must complete an Enrollment Form through GatorCare and forward it to BCBSF. The Covered Plan Participant must make application for enrollment within 60 days of the court order. The Effective Date of coverage for an Eligible Dependent who is enrolled as a result of a court order is the date required by the court.

## Annual Open Enrollment Period

Eligible Employees and/or Eligible Dependents who did not apply for coverage during the Initial Enrollment Period or a Special Enrollment Period may apply for coverage during an Annual Open Enrollment Period. The Eligible Employee may enroll by completing the Enrollment Form during the Annual Open Enrollment Period.

The effective date of coverage for an Eligible Employee and any Eligible Dependent(s) will be the date established by GatorCare.

Eligible Employees who do not enroll or change their coverage selection during the Annual Open Enrollment Period, must wait until the next Annual Open Enrollment Period, unless the Eligible Employee or the Eligible Dependent is enrolled due to a special circumstance as outlined in the Special Enrollment Period subsection of this section.

## Special Enrollment Period

An Eligible Employee and/or the Employee's Eligible Dependent(s) may apply for coverage outside of the Initial Enrollment Period and Annual Enrollment Period as a result of a special enrollment event. To apply for coverage, the Eligible Employee and/or the Employee's Eligible Dependent(s) must complete the applicable Enrollment Form and forward it to the Group within the time periods noted below for each special enrollment event.

An Eligible Employee and/or the Employee's Eligible Dependent(s) may apply for coverage if one of the following special enrollment events occurs and the applicable Enrollment Form is submitted to the Group within the indicated time periods:

1. If you lose your coverage under another group health benefit plan (as an employee or dependent), or coverage under other health insurance (except in the case of loss of coverage under a Children's Health Insurance Program (CHIP) or Medicaid, see #3 below), or COBRA continuation coverage that you were covered under at the time of initial enrollment provided that:
  - a) when offered coverage under this plan at the time of initial eligibility, you stated, in writing, that coverage under a group health plan or health insurance coverage was the reason for declining enrollment; and
  - b) you lost your other coverage under a group health benefit plan or health insurance coverage (except in the case of loss of coverage under a CHIP or Medicaid, see #3 below) as a result of termination of employment, reduction in the number of hours you work, reaching or exceeding the maximum lifetime of all benefits under other health coverage, the employer ceased offering group health coverage, death of your spouse, divorce, legal separation or employer contributions toward such coverage was terminated; and
  - c) you submit the applicable Enrollment Form to the Group within 60 days of the date your coverage was terminated.

**Note:** Loss of coverage for failure to pay your required contribution/premium on a timely basis or for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the prior health coverage) is not a qualifying event for special enrollment.

or

2. If when offered coverage under this plan at the time of initial eligibility, you stated, in writing, that coverage under a group health plan or health insurance coverage was the reason for declining enrollment; and you get married or obtain a dependent through birth, adoption or placement in anticipation of adoption and you submit the applicable Enrollment Form to the Group within 60 days of the date of the event.

or

3. If you or your Eligible Dependent(s) lose coverage under a CHIP or Medicaid due to loss of eligibility for such coverage or become eligible for the optional state premium assistance program and you submit the applicable Enrollment Form to the Group within 60 days of the date such coverage was terminated or the date you become eligible for the optional state premium assistance program.

The Effective Date of coverage for you and your Eligible Dependents added as a result of a special enrollment event is the date of the special enrollment event. Eligible Employees or Eligible Dependents who do not enroll or change their coverage selection during the Special Enrollment Period must wait until the next Annual Open Enrollment Period (See the Dependent Enrollment subsection of this section for the rules relating to the enrollment of Eligible Dependents of a Covered Plan Participant).

## **Other Provisions Regarding Enrollment and Effective Date of Coverage**

### **Rehired Employees**

Individuals who are rehired as employees of GatorCare are considered newly hired employees for purposes of this section, unless the employer has indicated that the employee qualifies for the exception as described in the federal regulations. The provisions of the Group Health Plan (which includes this Booklet), which are applicable to newly hired employees and their Eligible Dependents (e.g., enrollment, Effective Dates of coverage, Pre-existing Condition exclusionary period, and Waiting Period) are applicable to rehired employees and their Eligible Dependents if the employee does not qualify for the federal exception.

# Section 11: Termination of Coverage

## **Termination of a Covered Plan Participant's Coverage**

A Covered Plan Participant's coverage under this Benefit Booklet will automatically terminate at 12:01 a.m.:

1. on the date the Group Health Plan terminates;
2. on the date the ASO Agreement between BCBSF and GatorCare terminates;
3. on the last day of the first month that the Covered Plan Participant fails to continue to meet any of the applicable eligibility requirements;
4. on the date the Covered Plan Participant's coverage is terminated for cause (see the Termination of an Individual Coverage for Cause subsection); or
5. on the date specified by GatorCare that the Covered Plan Participant's coverage terminates.

## **Termination of a Covered Dependent's Coverage**

A Covered Dependent's coverage will automatically terminate at 12:01 a.m. on the date:

1. the Group Health Plan terminates;
2. the Covered Plan Participant's coverage terminates for any reason;
3. the Dependent becomes covered under an alternative health benefits plan which is offered through or in connection with the Group Health Plan;
4. last day of the Calendar Year that the Covered Dependent child no longer meets any of the applicable eligibility requirements;
5. the Dependent's coverage is terminated for cause (see the Termination of Individual Coverage for Cause subsection).

In the event you as the Covered Plan Participant wish to delete a Covered Dependent from coverage, an Enrollment Form must be forwarded to BCBSF through GatorCare prior to the termination date requested.

In the event you as the Covered Plan Participant wish to terminate a spouse's coverage, (e.g., in the case of divorce), you must submit an Enrollment Form to GatorCare, prior to the requested termination date or within 10 days of the date the divorce is final, whichever is applicable.

## **Termination of an Individual's Coverage for Cause**

In the event any of the following occurs, GatorCare may terminate an individual's coverage for cause:

1. fraud, material misrepresentation or omission in applying for coverage or benefits; or
2. the knowing misrepresentation, omission or the giving of false information on Enrollment Forms or other forms completed, by or on your behalf; or
3. misuse of the Identification Card.

## **Notice of Termination**

It is GatorCare's responsibility to immediately notify you of your termination or that of your Covered Dependents for any reason.

## Section 12: Continuing Coverage Under COBRA

A federal continuation of coverage law, known as the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), as amended, may apply to your Group Health Plan. If COBRA applies, you or your Covered Dependents may be entitled to continue coverage for a limited period of time, if you meet the applicable requirements, make a timely election, and pay the proper amount required to maintain coverage.

You must contact GatorCare to determine if you or your Covered Dependent(s) are entitled to COBRA continuation of coverage. GatorCare is solely responsible for meeting all of the obligations under COBRA, including the obligation to notify all Covered Persons of their rights under COBRA. If you fail to meet your obligations under COBRA and this Benefit Booklet, GatorCare will not be liable for any claims incurred by you or your Covered Dependent(s) after termination of coverage.

A summary of your COBRA rights and the general conditions for qualification for COBRA continuation coverage is provided below.

The following is a summary of what you may elect, if COBRA applies to GatorCare and you are eligible for such coverage:

1. You may elect to continue this coverage for a period not to exceed 18 months\* in the case of:
  - a) termination of employment of the Covered Plan Participant other than for gross misconduct; or
  - b) reduced hours of employment of the Covered Plan Participant.

**\*Note:** You and/or your Covered Dependent(s) are eligible for an 11 month extension of the 18 month COBRA continuation option above (to a total of 29 months) if you or your Covered Dependent(s) is/are totally disabled (as defined by the Social Security Administration (SSA)) at the time of your termination, reduction in hours or within the first 60 days of COBRA continuation coverage. The Covered Person must supply notice of the disability determination to GatorCare within 18 months of becoming eligible for continuation coverage and no later than 60 days after the SSA's determination date.

2. Your Covered Dependent(s) may elect to continue their coverage for a period not to exceed 36 months in the case of:
  - a) the Covered Plan Participant's entitlement to Medicare;
  - b) divorce or legal separation of the Covered Plan Participant;
  - c) death of the Covered Plan Participant;
  - d) the employer files bankruptcy (subject to bankruptcy court approval); or
  - e) a dependent child may elect the 36 month extension if the dependent child ceases to be an Eligible Dependent under the terms of GatorCare's coverage.

Children born to or placed for adoption with the Covered Plan Participant during the continuation coverage periods noted above are also eligible for the remainder of the continuation period.

Additional requirements applicable to continuation of coverage under COBRA are set forth below:

1. GatorCare must notify you of your continuation of coverage rights under COBRA within 14 days of the event which creates the continuation option. If coverage would be lost due to Medicare entitlement, divorce, legal separation or the failure of a Covered Dependent child to meet eligibility requirements, you or your Covered Dependent must notify GatorCare Group, in writing, within 60 days of any of these events. GatorCare's 14-day notice requirement runs from the date of receipt of such notice.
2. You must elect to continue the coverage within 60 days of the later of:
  - a) the date that the coverage terminates; or
  - b) the date the notification of continuation of coverage rights is sent by GatorCare.
3. COBRA coverage will terminate if you become covered under any other group health insurance plan. However, COBRA coverage may continue if the new group health insurance plan contains exclusions or limitations due to a Pre-existing Condition that would affect your coverage.
4. COBRA coverage will terminate if you become entitled to Medicare.
5. If you are totally disabled and eligible and elect to extend your continuation of coverage, you may not continue such extension of coverage more than 30 days after a determination by the Social Security Administration that you are no longer disabled. You must inform GatorCare of the Social Security Administration's determination within 30 days of such determination.
6. You must meet all contribution requirements, and all other eligibility requirements described in COBRA, and, to the extent not inconsistent with COBRA, in the Group Health Plan.
7. COBRA coverage will terminate on the date GatorCare ceases to provide group health coverage to its employees.

An election by a Covered Plan Participant or Covered Dependent spouse shall be deemed to be an election for any other qualified beneficiary related to that Covered Plan Participant or Covered Dependent spouse, unless otherwise specified in the election form.

**Note: This section shall not be interpreted to grant any continuation rights in excess of those required by COBRA and/or Section 4980B of the Internal Revenue Code. Additionally, this Benefit Booklet shall be deemed to have been modified, and shall be interpreted, so as to comply with COBRA and changes to COBRA that are mandatory with respect to GatorCare.**

## Section 13: The Effect of Medicare Coverage/Medicare Secondary Payer Provisions

When you become covered under Medicare and continue to be eligible and covered under this Benefit Booklet, coverage under this Benefit Booklet will be primary and the Medicare benefits will be secondary, but only to the extent required by law. In all other instances, coverage under this Benefit Booklet will be secondary to any Medicare benefits. To the extent the benefits under this Benefit Booklet are primary, claims for Covered Services should be filed with BCBSF first.

Under Medicare, GatorCare MAY NOT offer, subsidize, procure or provide a Medicare supplement policy to you if your coverage under this group plan is by virtue of your or your spouse's current employment status. Also, GatorCare MAY NOT induce you to decline or terminate your group health insurance coverage and elect Medicare as primary payer.

If you become 65 or become eligible for Medicare due to End Stage Renal Disease ("ESRD"), you must immediately notify GatorCare.

### Individuals With End Stage Renal Disease

If you are entitled to Medicare coverage because of ESRD, coverage under this Benefit Booklet will be provided on a primary basis for 30 months beginning with the earlier of:

1. the month in which you became entitled to Medicare Part "A" ESRD benefits; or
2. the first month in which you would have been entitled to Medicare Part "A" ESRD benefits if a timely application had been made.

If Medicare was primary prior to the time you became eligible due to ESRD, then Medicare will remain primary (i.e., persons entitled due to disability whose employer has less than 100 employees, retirees and/or their spouses over the age of 65). Also, if coverage under this Benefit Booklet was primary prior to ESRD entitlement, then coverage hereunder will remain primary for the ESRD coordination period. If you become eligible for Medicare due to ESRD, coverage will be provided, as described in this section, on a primary basis for 30 months.

### Disabled Active Individuals

If you are entitled to Medicare coverage because of a disability other than ESRD, Medicare benefits will be secondary to the benefits provided under this Benefit Booklet provided that:

GatorCare employed at least 100 or more full-time or part-time employees on 50% or more of its regular business days during the previous Calendar Year. If the Group Health Plan is a multi-employer plan, as defined by Medicare, Medicare benefits will be secondary if at least one employer participating in the plan covered 100 or more employees under the plan on 50% or more of its regular business days during the previous Calendar Year.

## **Miscellaneous**

1. This section shall be subject to, modified (if necessary) to conform to or comply with, and interpreted with reference to the requirements of federal statutory and regulatory Medicare Secondary Payer provisions as those provisions relate to Medicare beneficiaries who are covered under this Benefit Booklet.
2. BCBSF will not be liable to GatorCare or to any individual covered under this Benefit Booklet on account of any nonpayment of primary benefits resulting from any failure of performance of GatorCare's obligations as described in this section.

# Section 14: Duplication of Coverage Under Other Health Plans/Programs

## Coordination of Benefits

Coordination of Benefits ("COB") is a limitation of coverage and/or benefits to be provided under this Benefit Booklet.

COB determines the manner in which expenses will be paid when you are covered under more than one health plan, program, or policy providing benefits for Health Care Services. COB is designed to avoid the costly duplication of payment for Covered Services. It is your responsibility to provide BCBSF and GatorCare information concerning any duplication of coverage under any other health plan, program, or policy you or your Covered Dependents may have. This means you must notify BCBSF and GatorCare in writing if you have other applicable coverage or if there is no other coverage. You may be requested to provide this information at initial enrollment, by written correspondence annually thereafter, or in connection with a specific Health Care Service you receive. If the information is not received, claims may be denied and you will be responsible for payment of any expenses related to denied claims.

Health plans, programs or policies which may be subject to COB include, but are not limited to, the following which will be referred to as "plan(s)" for purposes of this section:

1. any group or non-group health insurance, group-type self-insurance, or HMO plan;
2. any group plan issued by any Blue Cross and/or Blue Shield organization(s);
3. any other plan, program or insurance policy, including an automobile PIP insurance policy and/or medical payment coverage with which the law permits coordination of benefits;
4. Medicare, as described in "The Effect of Medicare Coverage/Medicare Secondary Payer Provisions" section; and
5. to the extent permitted by law, any other government sponsored health insurance program.

The amount of payment, if any, when benefits are coordinated under this section, is based on whether or not the benefits under this Benefit Booklet are primary. When primary, payment will be made for Covered Services without regard to coverage under other plans. When the benefits under this Benefit Booklet are not primary, payment for Covered Services may be reduced so that total benefits under all your plans will not exceed 100 percent of the total reasonable expenses actually incurred for Covered Services. For purposes of this section, in the event you receive Covered Services from an In-Network Provider or an Out-of-Network Provider who participates in the Traditional Program, "total reasonable expenses" shall mean the total amount required to be paid to the Provider pursuant to the applicable agreement BCBSF or another Blue Cross and/or Blue Shield organization has with such Provider. **In the event that the primary payer's payment exceeds the Allowed Amount, no payment will be made for such Services.**

The following rules shall be used to establish the order in which benefits under the respective plans will be determined:

1. This plan always pays secondary to any medical payment, personal injury protection (PIP) coverage or no-fault coverage under any automobile policy available to you.

2. When we cover you as a Covered Dependent and the other plan covers you as other than a dependent, we will be secondary.
3. When we cover you as a dependent child and your parents are married (not separated or divorced):
  - a. the plan of the parent whose birthday, month and day, falls earlier in the year will be primary;
  - b. if both parents have the same birthday, month and day, and the other plan has covered one of the parents longer than us, we will be secondary.
4. When we cover you as a dependent child whose parents are not married, or are separated or divorced:
  - a. if the parent with custody is not remarried, the plan of the parent with custody is primary;
  - b. if the parent with custody has remarried, the plan of the parent with custody is primary; the step-parent's plan is secondary; and the plan of the parent without custody is last;
  - c. regardless of which parent has custody, when a court decree specifies the parent who is financially responsible for the child's health care expenses, the plan of that parent is always primary.
5. When we cover you as a dependent child and the other plan covers you as a dependent child:
  - a. the plan of the parent who is neither laid off nor retired will be primary;
  - b. if the other plan is not subject to this rule, and if, as a result, such plan does not agree on the order of benefits, this paragraph shall not apply.
6. If you have continuation of coverage under COBRA as a result of the purchase of coverage as provided under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, and also under another group plan, the following order of benefits applies:
  - a. first, the plan covering the person as an employee, or as the employee's Dependent; and
  - b. second, the coverage purchased under the plan covering the person as a former employee, or as the former employee's Dependent provided according to the provisions of COBRA.
7. When rules 1 through 6 above do not establish an order of benefits, the plan which has covered the individual the longest shall be primary, unless you are age 65 or older and covered under Medicare Parts A and B. In that case, this Booklet will be secondary to Medicare.
8. If the other plan does not have rules that establish the same order of benefits as under this Booklet, the benefits under the other plan will be determined primary to the benefits under this Booklet.

We will not coordinate benefits against an indemnity-type policy, an excess insurance policy, a policy with coverage limited to specified illnesses or accidents, or a Medicare Supplement policy.

### **Non-Duplication of Government Programs and Workers' Compensation**

The benefits under this Booklet shall not duplicate any benefits to which you or your Covered Dependents are entitled to or eligible for under government programs (e.g., Medicare, Medicaid, Veterans Administration) or Workers' Compensation to the extent allowed by law, or under any extension of benefits of coverage under a prior plan or program which may be provided or required by law.

# Section 15: Claims Processing

## Introduction

This section is intended to:

- help you understand what you or your treating Providers must do, under the terms of this Benefit Booklet, in order to obtain payment for expenses for Covered Services they have rendered or will render to you; and
- provide you with a general description of the applicable procedures we will use for making Adverse Benefit Determinations, Concurrent Care Decisions and for notifying you when we deny benefits.

If your Group Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), your plan administrator is solely responsible for complying with ERISA. While the benefit determination timeliness standards set forth in this section are generally consistent with ERISA, we are not legally responsible for notifying you of any rights you may have under ERISA. If you are not sure of your rights under ERISA, you should contact your plan administrator or an attorney of your choice. We will follow the claim determination procedures and notice requirements set forth in this section even if your Group Plan is not subject to ERISA.

Under no circumstances will we be held responsible for, nor will we accept liability relating to, the failure of your Group Plan's sponsor or plan administrator to: 1) comply with ERISA's disclosure requirements; 2) provide you with a Summary Plan Description (SPD) as that term is defined by ERISA; or 3) comply with any other legal requirements. You should contact your plan sponsor or administrator if you have questions relating to your Group Plan's SPD. We are not your Group Plan's sponsor or plan administrator. In most cases, a plan's sponsor or plan administrator is the employer who establishes and maintains the plan.

## Types of Claims

For purposes of this Benefit Booklet, there are three types of claims: 1) Pre-Service Claims; 2) Post-Service Claims; and 3) Claims Involving Urgent Care. It is important that you become familiar with the types of claims that can be submitted to us and the timeframes and other requirements that apply.

## Post-Service Claims

### How to File a Post-Service Claim

We have defined and described the three types of claims that may be submitted to us. Our experience shows that the most common type of claim we will receive from you or your treating Providers will likely be Post-Service Claims.

In-Network Providers have agreed to file Post-Service Claims for Services they render to you. In the event a Provider who renders Services to you does not file a Post-Service Claim for such Services, it is your responsibility to file it with us.

We must receive a Post-Service Claim within 90 days of the date the Health Care Service was rendered or, if it was not reasonably possible to file within such 90-day period, as soon as possible. In any event,

no Post-Service Claim will be considered for payment if we do not receive it at the address indicated on your ID Card within one year of the date the Service was rendered unless you were legally incapacitated.

For Post-Service Claims, we must receive an itemized statement from the health care Provider for the Service rendered along with a completed claim form. The itemized statement must contain the following information:

1. the date the Service was provided;
2. a description of the Service including any applicable procedure code(s);
3. the amount actually charged by the Provider;
4. the diagnosis including any applicable diagnosis code(s);
5. the Provider's name and address;
6. the name of the individual who received the Service; and
7. the Covered Plan Participant's name and contract number as they appear on the ID Card.

The itemized statement and claim form must be received by us at the address indicated on your ID Card.

**Note:** If your Group Plan has retail pharmacy prescription drug coverage, please refer to the Pharmacy Program Endorsement for information on the processing of prescription drug claims. Further, special claims processing rules may apply for Health Care Services you receive outside the state of Florida under the BlueCard Program (See the "BlueCard Program" section of this Booklet).

#### The Processing of Post-Service Claims

We will use our best efforts to pay, contest, or deny all Post-Service Claims for which we have all of the necessary information, as determined by us. Post-Service Claims will be paid, contested, or denied within the timeframes described below.

- **Payment for Post-Service Claims**

When payment is due under the terms of this Booklet, we will use our best efforts to pay (in whole or in part) for electronically submitted Post-Service Claims within 20 days of receipt. Likewise, we will use our best efforts to pay (in whole or in part) for paper Post-Service Claims within 40 days of receipt, however all claims subject to the No Surprises Act will be paid or denied within 30 days as stated in the Surprise Billing subsection of the YOUR SHARE OF HEALTH CARE EXPENSES section of this Booklet. You may receive notice of payment for paper claims within 30 days of receipt. If we are unable to determine whether the claim or a portion of the claim is payable because we need more information, we may contest or deny the claim within the timeframes set forth below.

- **Contested Post-Service Claims**

In the event we contest an electronically submitted Post-Service Claim, or a portion of such a claim, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is contested. In the event we contest a Post-Service Claim submitted on a paper claim form, or a portion of such a claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is contested. Our notice may identify: 1) the contested portion or portions of the claim; 2) the reason(s) for contesting the claim or a portion of the claim; and 3) the date that we

reasonably expect to notify you of the decision. The notice may also indicate whether additional information is needed in order to complete processing of the claim. If we request additional information, we must receive it within 45 days of our request for the information. **If we do not receive the requested information, the claim or a portion of the claim will be adjudicated based on the information in our possession at the time and may be denied.** Upon receipt of the requested information, we will use our best efforts to complete the processing of the Post-Service Claim within 15 days of receipt of the information.

- Denial of Post-Service Claims

In the event we deny a Post-Service Claim submitted electronically, we will use our best efforts to provide notice, within 20 days of receipt, that the claim or a portion of the claim is denied. In the event we deny a paper Post-Service Claim, we will use our best efforts to provide notice, within 30 days of receipt, that the claim or a portion of the claim is denied. The notice may identify the denied portion(s) of the claim and the reason(s) for denial. It is your responsibility to ensure that we receive all information determined by us as necessary to adjudicate a Post-Service Claim. **If we do not receive the necessary information, the claim or a portion of the claim may be denied.**

A Post-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards and appeal procedures described in this section.

#### Additional Processing Information for Post-Service Claims

In any event, we will use our best efforts to pay or deny all: 1) electronic Post-Service Claims within 90 days of receipt of the completed claim; and 2) Post-Service paper claims within 120 days of receipt of the completed claim. Claims processing shall be deemed to have been completed as of the date the notice of the claims decision is deposited in the mail by us or otherwise electronically transmitted. Any claims payment relating to a Post-Service Claim that is not made by us within the applicable timeframe is subject to the payment of simple interest at the rate established by the Florida Insurance Code.

We will investigate any allegation of improper billing by a Provider upon receipt of written notification from you. If we determine that you were billed for a Service that was not actually performed, any payment amount will be adjusted and, if applicable, a refund will be requested. In such a case, if payment to the Provider is reduced due solely to the notification from you, we will pay you 20 percent of the amount of the reduction, up to a total of \$500.

## **Pre-Service Claims**

### How to File a Pre-Service Claim

This Benefit Booklet may condition coverage, benefits, or payment (in whole or in part), for a specific Covered Service, on the receipt by us of a Pre-Service Claim as that term is defined herein. In order to determine whether we must receive a Pre-Service Claim for a particular Covered Service, please refer to the "What Is Covered?" section and other applicable sections of this Benefit Booklet. You may also call the customer service number on your ID card for assistance.

We are not required to render an opinion or make a coverage or benefit determination with respect to a Service that has not actually been provided to you unless the terms of this Benefit Booklet require (or condition payment upon) approval by us for the Service before it is received.

### Benefit Determinations on Pre-Service Claims Involving Urgent Care

For a Pre-Service Claim Involving Urgent Care, we will use our best efforts to provide notice of our determination (whether adverse or not) as soon as possible, but not later than 72 hours after receipt of the Pre-Service Claim unless additional information is required for a coverage decision. If additional information is necessary to make a determination, we will use our best efforts to provide notice within 24 hours of:

1) the need for additional information; 2) the specific information that you or your Provider may need to provide; and 3) the date that we reasonably expect to provide notice of the decision. If we request additional information, we must receive it within 48 hours of our request. We will use our best efforts to provide notice of the decision on your Pre-Service Claim within 48 hours after the earlier of: 1) receipt of the requested information; or 2) the end of the period you were afforded to provide the specified additional information as described above.

### Benefit Determinations on Pre-Service Claims that Do Not Involve Urgent Care

We will use our best efforts to provide notice of a decision on a Pre-Service Claim not involving urgent care within 15 days of receipt provided additional information is not required for a coverage decision. This 15-day determination period may be extended by us one time for up to an additional 15 days. If such an extension is necessary, we will use our best efforts to provide notice of the extension and reasons for it. We will use our best efforts to provide notification of the decision on your Pre-Service claim within a total of 30 days of the initial receipt of the claim, if an extension of time was taken by us.

If additional information is necessary to make a determination, we will use our best efforts to: 1) provide notice of the need for additional information, prior to the expiration of the initial 15-day period; 2) identify the specific information that you or your Provider may need to provide; and 3) inform you of the date that we reasonably expect to notify you of our decision. If we request additional information, we must receive it within 45 days of our request for the information. We will use our best efforts to provide notification of the decision on your Pre-Service Claim within 15 days of receipt of the requested information.

A Pre-Service Claim denial is an Adverse Benefit Determination and is subject to the Adverse Benefit Determination standards and appeal procedures described in this section.

## **Concurrent Care Decisions**

### Reduction or Termination of Coverage or Benefits for Services

A reduction or termination of coverage or benefits for Services will be considered an Adverse Benefit Determination when:

- we have approved in writing coverage or benefits for an ongoing course of Services to be provided over a period of time or a number of Services to be rendered; and
- the reduction or termination occurs before the end of such previously approved time or number of Services; and
- the reduction or termination of coverage or benefits by us was not due to an amendment of this Benefit Booklet or termination of your coverage as provided by this Benefit Booklet.

We will use our best efforts to notify you of such reduction or termination in advance so that you will have a reasonable amount of time to have the reduction or termination reviewed in accordance with the Adverse Benefit Determination standards and procedures described below. In no event shall we be required to provide more than a reasonable period of time within which you may develop your appeal before we actually terminate or reduce coverage for the Services.

#### Requests for Extension of Services

Your Provider may request an extension of coverage or benefits for a Service beyond the approved period of time or number of approved Services. If the request for an extension is for a Claim Involving Urgent Care, we will use our best efforts to notify you of the approval or denial of such requested extension within 24 hours after receipt of your request, provided it is received at least 24 hours prior to the expiration of the previously approved number or length of coverage for such Services. We will use our best efforts to notify you within 24 hours if: 1) we need additional information; or 2) you or your representative failed to follow proper procedures in your request for an extension. If we request additional information, you will have 48 hours to provide the requested information. We may notify you orally or in writing, unless you or your representative specifically request that it be in writing. A denial of a request for extension of Services is considered an Adverse Benefit Determination and is subject to the Adverse Benefit Determination review procedure below.

### **Standards for Adverse Benefit Determinations**

#### Manner and Content of a Notification of an Adverse Benefit Determination:

We will use our best efforts to provide notice of any Adverse Benefit Determination in writing. Notification of an Adverse Benefit Determination will include (or will be made available to you free of charge upon request):

1. the date the Service or supply was provided;
2. the Provider's name;
3. the dollar amount of the claim, if applicable;
4. the diagnosis codes included on the claim (e.g., ICD-9, DSM-IV), including a description of such codes;
5. the standardized procedure code included on the claim (e.g., Current Procedural Terminology), including a description of such codes;
6. the specific reason or reasons for the Adverse Benefit Determination, including any applicable denial code;
7. a description of the specific Benefit Booklet provisions upon which the Adverse Benefit Determination is based, as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;
8. a description of any additional information that might change the determination and why that information is necessary;
9. a description of the Adverse Benefit Determination review procedures and the time limits applicable to such procedures;

10. if the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how to obtain the specific explanation of the scientific or clinical judgment for the determination; and
11. You have the right to an independent external review through an external review organization for certain appeals, as provided in the Patient Protection and Affordable Care Act of 2010.

If the claim is a Claim Involving Urgent Care, we may notify you orally within the proper timeframes, provided we follow-up with a written or electronic notification meeting the requirements of this subsection no later than three days after the oral notification.

## **How to Appeal an Adverse Benefit Determination**

Except as described below, only you, or a representative designated by you in writing, have the right to appeal an Adverse Benefit Determination. An appeal of an Adverse Benefit Determination will be reviewed using the review process described below. Your appeal must be submitted to us in writing for an internal appeal within 365 days of the original Adverse Benefit Determination, except in the case of Concurrent Care Decisions which may, depending upon the circumstances, require you to file within a shorter period of time from notice of the denial. The following guidelines are applicable to reviews of Adverse Benefit Determinations:

1. You must cooperate fully with us in our effort to promptly review and resolve an appeal. In the event you do not fully cooperate with us, you will be deemed to have waived your right to have the appeal processed within the time frames set forth in this section.
2. You, or a Provider or a person acting on your behalf, must specifically request an expedited review. The expedited appeal process only applies to Pre-Service Claims or requests for extension of concurrent care Services made within 24 hours before the authorization for such Services expires. An expedited appeal will not be accepted for an Adverse Benefit Determination on a Post-Service Claim.
3. We must receive your appeal of an Adverse Benefit Determination in person or in writing.
4. You may review pertinent documents, upon request and free of charge, such as any internal rule, guideline, protocol, or similar criterion relied upon to make the determination, and submit issues or comments in writing.
5. If any new or additional information is received from anyone other than you, a copy must be provided to you free of charge and as soon as possible and sufficiently in advance of the date on which the final adverse notice is to be provided to give you a reasonable opportunity to respond prior to that date.
6. If the Adverse Benefit Determination is based on the lack of Medical Necessity of a particular Service or the Experimental or Investigational exclusion, you may request an explanation of the scientific or clinical judgment relied upon, if any, for the determination, that applies the terms of the Booklet to your medical circumstances. This information is provided free of charge.
7. During the review process, the Services in question will be reviewed without regard to the decision reached in the initial determination.

8. We may consult with appropriate Physicians in the same or similar specialty as typically manages the Condition, procedure, or treatment under review, as necessary.
9. Any independent medical consultant who reviews your Adverse Benefit Determination on our behalf will be identified upon request.
10. If the claim is a Claim Involving Urgent Care, you may request an expedited review orally or in writing in which case all necessary information on review may be transmitted between you and us by telephone, facsimile or other available expeditious method.
11. If your request for expedited review arises out of a concurrent review determination by us that a continued hospitalization is not Medically Necessary, coverage for the hospitalization will continue until you have been notified of the determination.
12. We will review the appeal and may make a decision based on medical records, additional information and input from health care professionals in the same or similar specialty as typically manages the Condition, procedure or treatment under review.
13. We will advise you of all appeal decisions in writing, as outlined in the Timing of Our Appeal Review on Adverse Benefit Determinations subsection.
14. If you wish to give someone else permission to appeal an Adverse Benefit Determination on your behalf, we must receive a completed Appointment of Representative form signed by you indicating the name of the person who will represent you with respect to the appeal. An Appointment of Representative form is not required if your Physician is appealing an Adverse Benefit Determination relating to a Claim Involving Urgent Care. Appointment of Representative forms are available at [www.floridablue.com](http://www.floridablue.com) or by calling the number on your ID card.
15. If you are not satisfied with our decision, you have the right to an independent external review through an external review organization for certain appeals, as described in the How to Request External Review of Our Appeal Decision subsection below.

**Appeals must be sent to the address below:**

Timing of Our Appeal Review on Adverse Benefit Determinations

We will use our best efforts to review your appeal of an Adverse Benefit Determination and communicate the decision in accordance with the following time frames:

- Pre-Service Claims-- within 30 days of the receipt of your appeal; or
- Post-Service Claims-- within 60 days of the receipt of your appeal; or
- Claims Involving Urgent Care (and requests to extend concurrent care Services made within 24 hours prior to the termination of the Services)-- within 72 hours of receipt of your request. If additional information is necessary we will notify you within 24 hours and we must receive the requested additional information within 48 hours of our request. After we receive the additional information, we will have an additional 48 hours to make a final determination.

**Note:** The nature of a claim for Services (i.e. whether it is “urgent care” or not) is judged as of the time of the benefit determination on review, not as of the time the Service was initially reviewed or provided.

### **Exhaustion of Internal Appeals Process**

Generally, you must complete all appeal processes outlined in this Benefit Booklet before you can obtain independent external review or bring an action in litigation. However, if we do not strictly adhere to all claim determination and appeal requirements under applicable federal law, you are considered to have exhausted our appeal requirements (“Deemed Exhaustion”) and may proceed with independent external review unless a minor exception applies. Minor exceptions are allowed when failure to adhere was non-prejudicial; attributable to good cause or matters beyond our control; in the context of on-going good-faith exchange of information; and not reflective of a pattern or practice of non-compliance.

### **How to Request External Review of Our Appeal Decision**

If we deny your appeal and our decision involves a medical judgment, including, but not limited to, a decision based on Medical Necessity, appropriateness, health care setting, level of care or effectiveness of the Health Care Service or treatment you requested or a determination that the treatment is Experimental or Investigational, you are entitled to request an independent, external review of our decision. Your request will be reviewed by an independent third party with clinical and legal expertise (“External Reviewer”) who has no association with us. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID card or visit [www.FloridaBlue.com](http://www.FloridaBlue.com). You may submit additional written comments to External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. Submit your request in writing on the External Review Request form within four months after receipt of your denial to the below address:

Blue Cross and Blue Shield of Florida  
Attention: Member External Reviews DCC9-5  
Post Office Box 44197  
Jacksonville, FL 32231-4197

If you have a medical Condition where the timeframe for completion of a standard external review would seriously jeopardize your life, health or ability to regain maximum function, you may file a request for an expedited external review. Generally, an urgent situation is one in which your health may be in serious jeopardy, or in the opinion of your Physician, you may experience pain that cannot be adequately controlled while you wait for a decision on the external review of your claim. Moreover expedited external reviews may be requested for an admission, availability of care, continued stay or Health Care Service for which you received Emergency Services, but have not been discharged from a facility. Please be sure your treating Physician completes the appropriate form to initiate this request type. If you have any questions or concerns during the external review process, please contact us at the phone number listed on your ID card or visit [www.FloridaBlue.com](http://www.FloridaBlue.com). You may submit additional written comments to the External Reviewer. A letter with the mailing address will be sent to you when you file an external review. Please note that if you provide any additional information during the external review process it will be shared with us in order to give us the opportunity to reconsider the denial. If you believe your situation is urgent, you may request an expedited review by sending your request to the address above or by fax to 904-565-6637.

If the External Reviewer decides to overturn our decision, we will provide coverage or payment for your health care item or Service.

You or someone you name to act for you may file a request for external review. To appoint someone to act on your behalf, please complete an Appointment of Representative form.

You are entitled to receive, upon written request and free of charge, reasonable access to, and copies of all documents relevant to your appeal including a copy of the actual benefit provision, guideline protocol or other similar criterion on which the appeal decision was based.

You may request and we will provide the diagnosis and treatment codes, as well as their corresponding meanings, applicable to this notice, if available.

## **Additional Claims Processing Provisions**

### **1. Release of Information/Cooperation:**

In order to process claims, we may need certain information, including information regarding other health care coverage you may have. You must cooperate with us in our effort to obtain such information by, among other ways, signing any release of information form at our request. Failure by you to fully cooperate with us may result in a denial of the pending claim and we will have no liability for such claim.

### **2. Physical Examination:**

In order to make coverage and benefit decisions, we may, at our expense, require you to be examined by a health care Provider of our choice as often as is reasonably necessary while a claim is pending. Failure by you to fully cooperate with such examination shall result in a denial of the pending claim and we shall have no liability for such claim.

### **3. Legal Actions:**

No legal action arising out of or in connection with coverage under this Benefit Booklet may be brought against us within the 60-day period following our receipt of the completed claim as required herein. Additionally, no such action may be brought after expiration of the applicable statute of limitations.

### **4. Fraud, Misrepresentation or Omission in Applying for Benefits:**

We rely on the information provided on the itemized statement and the claim form when processing a claim. All such information, therefore, must be accurate, truthful and complete. Any fraudulent statement, omission or concealment of facts, misrepresentation, or incorrect information may result, in addition to any other legal remedy we may have, in denial of the claim or cancellation or rescission of your coverage.

### **5. Explanation of Benefits Form:**

All claims decisions, including denial and claims review decisions, will be communicated to you in writing either on an explanation of benefits form or some other written correspondence. This form may indicate:

- a) The specific reason or reasons for the Adverse Benefit Determination;
- b) Reference to the specific Benefit Booklet provisions upon which the Adverse Benefit Determination is based as well as any internal rule, guideline, protocol, or other similar criterion that was relied upon in making the Adverse Benefit Determination;

- c) A description of any additional information that would change the initial determination and why that information is necessary;
- d) A description of the applicable Adverse Benefit Determination review procedures and the time limits applicable to such procedures; and
- e) If the Adverse Benefit Determination is based on the Medical Necessity or Experimental or Investigational limitations and exclusions, a statement telling you how you can obtain the specific explanation of the scientific or clinical judgment for the determination.

6. Circumstances Beyond Our Control:

To the extent that natural disaster, war, riot, civil insurrection, epidemic, or other emergency or similar event not within our control, results in facilities, personnel or our financial resources being unable to process claims for Covered Services, we will have no liability or obligation for any delay in the payment of claims for Covered Services, except that we will make a good faith effort to make payment for such Services, taking into account the impact of the event. For the purposes of this paragraph, an event is not within our control if we cannot effectively exercise influence or dominion over its occurrence or non-occurrence.

### **ERISA Civil Action Provision**

If a federal law known as the Employee Retirement Security Act of 1974 (ERISA), as amended, applies to your Group Benefit Plan. You or your Covered Dependents may be entitled, after exhaustion of the appeal procedures provided for in this section, to pursue a civil action under Section 502(a) of ERISA in connection with an Adverse Benefit Determination or any other legal or equitable remedy otherwise available.

## Section 16: Relationships Between the Parties

### **BCBSF/GatorCare and Health Care Providers**

Neither BCBSF nor GatorCare nor any of their officers, directors or employees provides Health Care Services to you. Rather, BCBSF and GatorCare are engaged in making coverage and benefit decisions under this Booklet. By accepting the Group health care coverage and benefits, you agree that making such coverage and benefit decisions does not constitute the rendering of Health Care Services and that health care Providers rendering those Services are not employees or agents of BCBSF or GatorCare. **In this regard, we and GatorCare hereby expressly disclaim any agency relationship, actual or implied, with any health care Provider.** BCBSF and GatorCare do not, by virtue of making coverage, benefit, and payment decisions, exercise any control or direction over the medical judgment or clinical decisions of any health care Provider. Any decisions made under the Group Health Plan concerning appropriateness of setting, or whether any Service is Medically Necessary, shall be deemed to be made solely for purposes of determining whether such Services are covered, and not for purposes of recommending any treatment or non-treatment. Neither BCBSF nor GatorCare will assume liability for any loss or damage arising as a result of acts or omissions of any health care Provider.

### **Non Liability of BCBSF and GatorCare**

Neither GatorCare nor any person covered under this Booklet is BCBSF's agent or representative, and neither shall be liable for any acts or omissions by BCBSF's agents, servants, employees, or us. Additionally, neither BCBSF nor GatorCare will be liable, whether in tort or contract or otherwise, for any acts or omissions of any other person or organization with which BCBSF has made or hereafter makes arrangements for the provision of Covered Services. BCBSF is not your agent, servant, or representative nor is BCBSF an agent, servant, or representative of GatorCare and BCBSF will not be liable for any acts or omissions, or those of GatorCare, its agents, servants, employees, or any person or organization with which GatorCare has entered into any agreement or arrangement. By acceptance of coverage and benefits hereunder, you agree to the foregoing.

### **Medical Treatment Decisions - Responsibility of Your Physician, Not BCBSF**

Any and all decisions that require or pertain to independent professional medical judgment or training, or the need for medical Services or supplies, must be made solely by your family and your treating Physician in accordance with the patient/physician relationship. It is possible that you or your treating Physician may conclude that a particular procedure is needed, appropriate, or desirable, even though such procedure may not be covered.

# Section 17: General Provisions

## Access to Information

BCBSF and GatorCare have the right to receive, from you and any health care Provider rendering Services to you, information that is reasonably necessary, as determined by BCBSF and GatorCare, in order to administer the coverage and benefits provided, subject to all applicable confidentiality requirements listed below. By accepting coverage, you authorize every health care Provider who renders Services to you, to disclose to BCBSF and GatorCare or to affiliated entities, upon request, all facts, records, and reports pertaining to your care, treatment, and physical or mental Condition, and to permit BCBSF and/or GatorCare to copy any such records and reports so obtained.

## Right to Receive Necessary Information

In order to administer coverage and benefits, BCBSF or GatorCare may, without the consent of, or notice to, any person, plan, or organization, obtain from any person, plan, or organization any information with respect to any person covered under this Booklet or applicant for enrollment which BCBSF or GatorCare deem to be necessary.

## Right to Recovery

Whenever the Group Health Plan has made payments in excess of the maximum provided for under this Booklet, BCBSF or GatorCare will have the right to recover any such payments, to the extent of such excess, from you or any person, plan, or other organization that received such payments.

## Subrogation and Right of Recovery

The provisions of this section apply to all current or former plan participants and also to the parents, guardian, or other representative of a dependent child who incurs claims and is or has been covered by the plan. The plan's right to recover (whether by subrogation or reimbursement) shall apply to the personal representative of your estate, your decedents, minors, and incompetent or disabled persons. "You" or "your" includes anyone on whose behalf the plan pays benefits. No adult Covered Person hereunder may assign any rights that it may have to recover medical expenses from any tortfeasor or other person or entity to any minor child or children of said adult covered person without the prior express written consent of the Plan.

The plan's right of subrogation or reimbursement, as set forth below, extend to all insurance coverage available to you due to an injury, illness or condition for which the plan has paid medical claims (including, but not limited to, liability coverage, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers compensation coverage, no fault automobile coverage or any first party insurance coverage).

Your health plan is always secondary to automobile no-fault coverage, personal injury protection coverage, or medical payments coverage.

No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the health plan's subrogation and reimbursement interest are fully satisfied.

### **Subrogation**

The right of subrogation means the plan is entitled to pursue any claims that you may have in order to recover the benefits paid by the plan. Immediately upon paying or providing any benefit under the plan, the plan shall be subrogated to (stand in the place of) all of your rights of recovery with respect to any claim or potential claim against any party, due to an injury, illness or condition to the full extent of benefits provided or to be provided by the Plan. The Plan may assert a claim or file suit in your name and take appropriate action to assert its subrogation claim, with or without your consent. The plan is not required to pay you part of any recovery it may obtain, even if it files suit in your name.

### **Reimbursement**

If you receive any payment as a result of an injury, illness or condition, you agree to reimburse the plan first from such payment for all amounts the plan has paid and will pay as a result of that injury, illness or condition, up to and including the full amount of your recovery.

### **Constructive Trust**

By accepting benefits (whether the payment of such benefits is made to you or made on your behalf to any provider) you agree that if you receive any payment as a result of an injury, illness or condition, you will serve as a constructive trustee over those funds. Failure to hold such funds in trust will be deemed a breach of your fiduciary duty to the plan. No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the health plan's subrogation and reimbursement interest are fully satisfied.

### **Lien Rights**

Further, the plan will automatically have a lien to the extent of benefits paid by the plan for the treatment of the illness, injury or condition upon any recovery whether by settlement, judgment or otherwise, related to treatment for any illness, injury or condition for which the plan paid benefits. The lien may be enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the plan including, but not limited to, you, your representative or agent, and/or any other source that possessed or will possess funds representing the amount of benefits paid by the plan.

### **Assignment**

In order to secure the plan's recovery rights, you agree to assign to the plan any benefits or claims or rights of recovery you have under any automobile policy or other coverage, to the full extent of the plan's subrogation and reimbursement claims. This assignment allows the plan to pursue any claim you may have, whether or not you choose to pursue the claim.

### **First-Priority Claim**

By accepting benefits from the plan, you acknowledge that the plan's recovery rights are a first priority claim and are to be repaid to the plan before you receive any recovery for your damages. The plan shall

be entitled to full reimbursement on a first-dollar basis from any payments, even if such payment to the plan will result in a recovery which is insufficient to make you whole or to compensate you in part or in whole for the damages sustained. The plan is not required to participate in or pay your court costs or attorney fees to any attorney you hire to pursue your damage claim.

### **Applicability to All Settlements and Judgments**

The terms of this entire subrogation and right of recovery provision shall apply and the plan is entitled to full recovery regardless of whether any liability for payment is admitted and regardless of whether the settlement or judgment identifies the medical benefits the plan provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical expenses. The plan is entitled to recover from *any and all* settlements or judgments, even those designated as pain and suffering, non-economic damages and/or general damages only. The plan's claim will not be reduced due to your own negligence.

### **Cooperation**

You agree to cooperate fully with the plan's efforts to recover benefits paid. It is your duty to notify the plan within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of your intention to pursue or investigate a claim to recover damages or obtain compensation due to your injury, illness or condition. You and your agents agree to provide the plan or its representative's notice of any recovery you or your agents obtain prior to receipt of such recovery funds or within 5 days if no notice was given prior to receipt. Further, you and your agents agree to provide notice prior to any disbursement of settlement or any other recovery funds obtained. You and your agents shall provide all information requested by the plan, the Claims Administrator or its representative including, but not limited to, completing and submitting any applications or other forms or statements as the plan may reasonably request and all documents related to or filed in personal injury litigation. Failure to provide this information, failure to assist the plan in pursuit of its subrogation rights or failure to reimburse the plan from any settlement or recovery you receive may result in the denial of any future benefit payments or claim until the plan is reimbursed in full, termination of your health benefits or the institution of court proceedings against you.

You shall do nothing to prejudice the plan's subrogation or recovery interest or prejudice the plan's ability to enforce the terms of this plan provision. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the plan or disbursement of any settlement proceeds or other recovery prior to fully satisfying the health plan's subrogation and reimbursement interest.

You acknowledge that the plan has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of recovery. The plan reserves the right to notify all parties and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

You acknowledge that the plan has notified you that it has the right pursuant to the Health Insurance Portability & Accountability Act ("HIPAA"), 42 U.S.C. Section 1301 *et seq*, to share your personal health information in exercising its subrogation and reimbursement rights.

## **Interpretation**

In the event that any claim is made that any part of this subrogation and right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the Claims Administrator for the plan shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

### **Jurisdiction**

By accepting benefits from the Plan, you agree that any court proceeding with respect to this provision may be brought in any court of competent jurisdiction as the plan may elect. By accepting such benefits, you hereby submit to each such jurisdiction, waiving whatever rights may correspond by reason of your present or future domicile. By accepting such benefits, you also agree to pay all attorneys' fees the plan incurs in successful attempts to recover amounts the plan is entitled to under this section.

## **Compliance with State and Federal Laws and Regulations**

The terms of coverage and benefits to be provided under this Benefit Booklet shall be deemed to have been modified and shall be interpreted, so as to comply with applicable state or federal laws and regulations dealing with benefits, eligibility, enrollment, termination, or other rights and duties.

## **Confidentiality**

Except as otherwise specifically provided herein, and except as may be required in order for us to administer coverage and benefits, specific medical information concerning you, received by Providers, shall be kept confidential by us in conformity with applicable law. Such information may be disclosed to third parties for use in connection with bona fide medical research and education, or as reasonably necessary in connection with the administration of coverage and benefits, specifically including BCBSF's quality assurance and Blueprint for Health Programs. Additionally, we may disclose such information to entities affiliated with us or other persons or entities we utilize to assist in providing coverage, benefits or services under this Booklet. Further, any documents or information which are properly subpoenaed in a judicial proceeding, or by order of a regulatory agency, shall not be subject to this provision.

BCBSF's arrangements with a Provider may require that we release certain claims and medical information about persons covered under this Booklet to that Provider even if treatment has not been sought by or through that Provider. By accepting coverage, you hereby authorize us to release to Providers claims information, including related medical information, pertaining to you in order for any such Provider to evaluate your financial responsibility under this Booklet.

## **Benefit Booklet**

You have been provided with this Benefit Booklet and an Identification Card as evidence of your coverage under this Benefit Booklet.

## **Modification of Provider Network and the Participation Status**

NetworkBlue and the Traditional Provider Program, and the participation status of individual Providers available through BCBSF, are subject to change at any time by BCBSF without prior notice to you or your approval or that of GatorCare. Additionally, BCBSF may, at any time, terminate or modify the terms of any Provider contract and may enter into additional Provider contracts without prior notice to you, or your

approval or that of GatorCare. It is your responsibility to determine whether a health care Provider is an In-Network Provider at the time the Health Care Service is rendered. Under this Booklet, your financial responsibility may vary depending upon a Provider's participation status.

## **Cooperation Required of You and Your Covered Dependents**

You must cooperate with BCBSF and GatorCare, and must execute and submit to us any consents, releases, assignments, and other documents requested in order to administer, and exercise any rights hereunder. Failure to do so may result in the denial of claims and will constitute grounds for termination for cause (See the "Termination of an Individual's Coverage for Cause" subsection in the "Termination of Coverage" section).

## **Non-Waiver of Defaults**

Any failure by BCBSF or GatorCare at any time, or from time to time, to enforce or to require the strict adherence to any of the terms or conditions described herein, will in no event constitute a waiver of any such terms or conditions. Further, it will not affect BCBSF's or GatorCare's right at any time to enforce any terms or conditions under this Benefit Booklet.

## **Notices**

Any notice required or permitted hereunder will be deemed given if hand delivered or if mailed by United States Mail, postage prepaid, and addressed as listed below. Such notice will be deemed effective as of the date delivered or so deposited in the mail.

If to BCBSF:

## **Our Obligations Upon Termination**

Upon termination of your coverage for any reason, there will be no further liability or responsibility to you under the Group Health Plan, except as specifically described herein.

## **Employer as Plan Administrator**

Your employer, as the plan administrator, retains full, final, discretionary authority with respect to the administration of the coverage and benefits described in this Benefit Booklet, including, but not limited to, the authority to establish the benefits and scope of coverage to be provided hereunder; authority to make ultimate coverage and claims payment decisions; authority to determine the eligibility of individuals for coverage; and authority to construe and interpret the terms of coverage under this Benefit Booklet.

## **Promissory Estoppel**

No oral statements, representations, or understanding by any person can change, alter, delete, add, or otherwise modify the express written terms of this Booklet.

## **Third Party Beneficiary**

The terms and provisions of the Group Health Plan shall be binding solely upon, and inure solely to the benefit of, GatorCare and individuals covered under the terms of this Benefit Booklet, and no other person shall have any rights, interest or claims thereunder, or under this Benefit Booklet, or be entitled to sue for a breach thereof as a third-party beneficiary or otherwise. GatorCare hereby specifically expresses its intent that health care Providers that have not entered into contracts with BCBSF to participate in BCBSF's Provider networks shall not be third-party beneficiaries under the terms of the GatorCare Group Health Plan or this Benefit Booklet.

## **Customer Rewards Program**

From time to time, we may offer programs to our customers that provide rewards for following the terms of the program. We will tell you about any available rewards programs in general mailings, member newsletters and/or on our website. Your participation in these programs is completely voluntary and will in no way affect the coverage available to you under this Benefit Booklet. We reserve the right to offer rewards in excess of \$25 per year as well as the right to discontinue or modify any reward program features or promotional offers at any time without your consent.

## **Your Rights and Responsibilities**

We are committed to providing quality health care coverage at a reasonable cost while maintaining your dignity and integrity. Consistent with our commitment and recognizing that In-Network Providers are independent contractors and not our agents, the following statement of your Rights and Responsibilities has been adopted.

3. To expect In-Network Providers to:

- a) discuss appropriate or Medically Necessary treatment options for your Condition, regardless of cost or benefit coverage;
  - b) permit you to participate in the major decisions about your health care, consistent with legal, ethical, and relevant patient-Provider relationship requirements.
  - c) advise whether your medical care or treatment is part of a research experiment, and to give you the opportunity to refuse any experimental treatments; and

**Accidental Dental Injury** means an injury to sound natural teeth (not previously compromised by decay) caused by a sudden, unintentional, and unexpected event or force. This term does not include injuries to the mouth, structures within the oral cavity, or injuries to natural teeth caused by biting or chewing, surgery, or treatment for a disease or illness.

**Administrative Services Only Agreement** or **ASO Agreement** means an agreement between GatorCare and BCBSF. Under the Administrative Services Only Agreement, BCBSF provides claims processing and payment services, customer service, utilization review services and access to BCBSF's NetworkBlue and BCBSF's network of Traditional Insurance Providers.

**Adverse Benefit Determination** means any denial, reduction or termination of coverage, benefits, or payment (in whole or in part) under the Benefit Booklet with respect to a Pre-Service Claim or a Post-Service Claim. Any reduction or termination of coverage, benefits, or payment in connection with a Concurrent Care Decision, as described in this section, shall also constitute an Adverse Benefit Determination.

**Allowed Amount** means the maximum amount upon which payment will be based for Covered Services. The Allowed Amount may be changed at any time without notice to you or your consent.

1. In the case of an In-Network Provider located in Florida, this amount will be established in accordance with the applicable agreement between that Provider and BCBSF.
2. In the case of an In-Network Provider located outside of Florida, this amount will generally be established in accordance with the negotiated price that the on-site Blue Cross and/or Blue Shield Plan ("Host Blue") passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the BlueCard Program section for more details.
3. In the case of Out-of-Network Providers located in Florida who participate in the Traditional Program, this amount will be established in accordance with the applicable agreement between that Provider and BCBSF.
4. In the case of Out-of-Network Providers located outside of Florida who participate in the BlueCard Traditional Program, this amount will generally be established in accordance with the negotiated price that the Host Blue passes on to us, except when the Host Blue is unable to pass on its negotiated price due to the terms of its Provider contracts. See the BlueCard Program section for more details.
5. In the case of an Out-of-Network Provider that has not entered into an agreement with BCBSF to provide access to a discount from the billed amount of that Provider for the specific Covered Services provided to you, the Allowed Amount will be the lesser of that Provider's actual billed amount for the specific Covered Services or an amount established by BCBSF that may be based on several factors including (but not necessarily limited to): (i) payment for such Services under the Medicare and/or Medicaid programs; (ii) payment often accepted for such Services by that Out-of-Network Provider

and/or by other Providers, either in Florida or in other comparable market(s), that BCBSF determines are comparable to the Out-of-Network Provider that provided the specific Covered Services (which may include payment accepted by such Out-of-Network Provider and/or by other Providers as participating providers in other provider networks of third-party payers which may include, for example, other insurance companies and/or health maintenance organizations); (iii) payment amounts which are consistent, as determined by BCBSF, with BCBSF's provider network strategies (e.g., does not result in payment that encourages Providers participating in a BCBSF network to become non-participating); and/or, (iv) the cost of providing the specific Covered Services. In the case of an Out-of-Network Provider that has not entered into an agreement with another Blue Cross and/or Blue Shield organization to provide access to discounts from the billed amount for the specific Covered Services under the BlueCard Program, the Allowed Amount for the specific Covered Services provided to you may be based upon the amount provided to BCBSF by the other Blue Cross and/or Blue Shield organization where the Services were provided at the amount such organization would pay non-participating Providers in its geographic area for such Services.

6. In the case of Covered Services rendered by an Out-of-Network Provider where the Services are subject to either the federal No Surprises Act (H.R. 133, P.L. 116-260) or 627.64194(4) F.S., then the allowed amount will be calculated in accordance with the applicable statute. For clarity, if the Provider is located in Florida and 627.64194(4) F.S. applies, then the allowed amount calculated under 5. above is presumed to meet the requirements 627.64194(4) F.S.

Please specifically note that, in the case of an Out-of-Network Provider that has not entered into an agreement with BCBSF to provide access to a discount from the billed amount of that Provider, the Allowed Amount for particular Services is often substantially below the amount billed by such Out-of-Network Provider for such Services. You will be responsible for any difference between such Allowed Amount and the amount billed for such Services by any such Out-of-Network Provider.

  - iii. The Department of Energy.
- 2. The study or investigation is conducted under an investigational new drug application reviewed by the Food and Drug Administration.
- 3. The study or investigation is a drug trial that is exempt from having such an investigational new drug application.

For a study or investigation conducted by a Department the study or investigation must be reviewed and approved through a system of peer review that the Secretary determines: (1) to be comparable to the system of peer review of studies and investigations used by the National Institutes of Health, and (2) assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.

In determining whether a Health Care Service is Experimental or Investigational, BCBSF or GatorCare may also rely on the predominant opinion among experts, as expressed in the published authoritative literature, that usage of a particular evaluation, treatment, therapy, or device should be substantially confined to research settings or that further studies are necessary in order to define safety, toxicity, effectiveness, or effectiveness compared with standard alternatives.
