

## Maintenance medications list

As the pharmacy benefit manager for your benefit plan, Prime Therapeutics (Prime) strives to offer you access to a broad choice of medications at a reasonable price.

### Quality driven and cost-conscious medications

This Maintenance Medications List is a subset of products included within your plan's preferred medication list, or formulary, that are used to treat chronic conditions requiring ongoing treatment with medication.

### Mandatory 90-day supply at retail or mail

A 90-day supply is mandatory upon the third fill or a Tier 1 or Tier 2 maintenance medication. You'll be allowed two 30-day fills within 90 days before being required to obtain a 90-day fill through mail order at a participating pharmacy location.

This requirement does not apply to medications on Tier 3, Tier 4 or Tier 5.

### How to get a 90-day supply

Visit your local pharmacy or call one of these pharmacies to get a 90-day supply of your medication:

- UF Health Pharmacy – Medical Plaza: 352.265.8270
- UF Health Pharmacy – Shands Hospital: 352.265.0405
- UF Health Pharmacy – Shands Cancer Hospital: 352.733.0890
- UF Health Pharmacy – Springhill: 352.733.5384
- UF Health Leesburg Outpatient Pharmacy: 352.323.5384
- UF Health Jacksonville Ambulatory Pharmacy: 904.244.4020
- Walgreens Mail Order: 877.276.9360

To locate a retail pharmacy, visit [PrimeTherapeutics.com/Member/Find-a-pharmacy](https://www.PrimeTherapeutics.com/Member/Find-a-pharmacy) to view a list of network pharmacies or contact customer service at the toll-free member phone number on your benefit plan ID card.

If you have questions or would like additional information on the GatorCare Maintenance Medication List, please contact customer service at the toll-free member phone number on your ID card or visit [GatorCare.org](https://www.GatorCare.org).

### Covered medications

This Maintenance Medications List is a subset of products included within your plan's preferred medication list, or formulary, that are used to treat chronic conditions requiring ongoing treatment with medication.
